Author Mia Madison is the queen of writing older man/ younger woman romances. Gavin is a radio DJ with a low sexy voice, a hot body and a daughter who just happens to be best friends with the next door neighbor, Lindsay. Lindsay is a recent college graduate who has managed to save herself for the perfect guy. In her erotic dreams, that man just happens to be Gavin, her best friend's father. Secretly she listens to his radio show and dreams that the meaningful songs he plays are being played with her in mind. Little does she know, but Gavin is completely taken with Lindsay and has been having more than his share of erotic fantasies with her in the starring role. Will these two eventually follow their hearts and passion and find their way to one another? Will they be faced with the disapproval of family if they do manage to get together? This is a wonderful novella filled with angst, passion and moments of downright guilt. With scorching lust, this book is the perfect read on a hot summer's day. One-click buy this book today! Older man/younger woman - the predictable story line. Gavin has neighbor to Lindsay and her parents since she was 5 years young. Lindsay is now 21 and have been best friends with Gavins daughter, Kate since she was 5. Lindsay has for years been attracted to Gavin and his deep voice. She has not told it to anyone but she has not been able to forget him and go on with a boy of her own age. Gavin is attracted to Lindsay. She come home from college and had changed into a lovely woman and that was it for him, but she is best friends with his daughter and therefor off limit. One evening at Kates birthday party Lindsay and Gavin kisses and everything ignites the light. There is no way back for them now but they try. This story has drama, chemistry, passion, love and forgiveness. I like the way they deal with the situation but it is fairly predictable. Very well written as always. A quick short read. I voluntarily reviewed an ARC of this book. What a quick and fun read from Ms Madison. I enjoyed reading Lindsey and Gavin's story. Lindsey is a recent college grad who has always had a crush on her best friend's dad, who happens to live next door to her. Little does she know that recently Gavin has also started to notice her in a more romantic way. Lindsey has never been drawn to guys her age. Not in high school nor in college. Kate her best friend is having her birthday party at home and Lindsey is a little nervous about going over and not letting her feelings for Gavin show on her face. Gavin is also worried Kate will see him staring at Lindsey and how she will feel about him liking her friend. How will everything turn out? What will Kate as well as Lindsey's parents think about the two as a couple? This book was a great book. It even has a little drama thrown in with Kate. Great read and great HEA!

I really enjoyed this story. It was sweet and fun. It is the story of Lindsay a shy slightly naive woman who has been fantasizing about her best friend's father for quite a while. One day, at her best friend's birthday party she finds that her unrequited love is returned by Gavin. Though he is almost twice her age they are the perfect fit for each other. I loved that their temperaments are similar and that they truly complement. Gavin is a top notch father in that he is willing to give up his love for Lindsay because it creates a conflict with his daughter. As with all of Mia's stories there is passion, steam, sassiness, fun characters and heart. If you are a fan of Mia's you will enjoy this read and if you like older men younger women stories then this is one for you. I received an ARC and am leaving a voluntary review.

Poem;" Love we cannot have is the one that lasts the longest, hurts the deepest, and feels the strongest."~unknown This story of forbidden love between Lindsay and Gavin shows the conflicts they must face to have what they want. The story is told via dual POVs giving us insight into the difficult decisions each has to make. The characters are presented in a very realistic way as long time neighbors, friends. It is a quick romantic read, steamy and passionate tale, we find forgiveness and love and the dilemmas are true. Mia Madison gives us a very satisfying HEA. It's my definition of a perfect bedtime read. Ensuring sweet dreams. I volunteered an honest review for an advanced readers book.
