It's Bunco Time!: Cookbook And Party Ideas

Synopsis

America is going Bunco! According to a recent article in Time magazine, 'Women are going crazy over this old game.' Now the World Bunco Association offers one book full of everything Bunco players need to know. Complete with rules, scorecards, recipes, and information on how to start a Bunco club and organize a Bunco party, *It's Bunco Time!* will let readers join the craze--without rolling the dice. Played by 8-20 people, Bunco is a friendly game of dice. Players are divided into small groups and compete with each other to roll a set of 'ones,' progressing in rounds up to rolling 'sixes.' Bunco encourages social interaction, and eating and drinking are a big part of the fun. The old-fashioned game of the future is becoming ever more popular at parties and social events, and new groups are popping up across the country. The cookbook includes recipes for beverages, appetizers, main and side dishes, desserts, and much more, all aimed at increasing the fun!

Book Information

Paperback: 160 pages

Publisher: Hachette Books (April 7, 2004)

Language: English

ISBN-10: 140130768X

ISBN-13: 978-1401307684

Product Dimensions: 6.1 x 9.2 inches

Shipping Weight: 7.2 ounces (View shipping rates and policies)

Customer Reviews

"If you are not in good spirits when you walk out the door, it's your own fault." -- Barbara Baker, Bunco player

Leslie Crouch is founder and president of The World Bunco Association. She lives in Carlsbad, California, and plays Bunco once a week with friends.

Of all the bunco books I've read to date (and I may have exhausted the market), this is my favorite.

Why? It's because I feel it's the best representation of what a bunco night and the game of bunco is all about. Author, Leslie Crouch, indicates the spirit of the phenomenon that is bunco in her introduction, when she suggests using this cookbook as an "integral part of every bunco group, passing it from hostess to hostess each month." In addition to the collection of recipes covering every aspect of planning a bunco evening (Beverages, dips and spreads, appetizers and snacks, into soups, salads and side dishes, and finally, entrees and desserts) she offers bunco party themes and a brief history of this popular game, Official Bunco rules, and journal entry pages, which will make this a valuable addition to any group's "bunco box." You ladies who play KNOW what I mean when I talk about the box. I also enjoyed the hints and tips (questions we all ask ourselves about baking substitutions and equivalents) and miscellaneous household tips that are helpful to all: Did you KNOW you could clean your toilet with Alka-Seltzer??? I intend to donate a copy to my bunco group, keep one on my kitchen cookbook shelf for party planning, and make it a party favor for the next time I host. Well done! Michele Cozzens is the author of *It's Not Your Mother's Bridge Club*.

I bought this book because I am involved with a couple of Bunco groups and was, as usual, looking for ideas. I loved the idea of "theme" Bunco parties and think it would be a blast to have a pajama Bunco party (winter), or garden tea Bunco party (summer)... and I liked that the rules for play were included, along with who wins what prizes; seems like each group plays just a little differently than the next, and each adds their own fun twists to the game. I was a little disappointed that none of those quirky differences were presented by a writer that sounded like she collects such things and connects Bunco players from all over the world. She put journal pages in the back of the book for us to record our game nights in - so maybe she'll be asking for those for book two? AND I was a little disappointed with the recipes. I was hoping for a motherlode of appetizers/snacks rather than the dinners/meals that were featured. The groups that I am involved with are mostly snackers. We play, drink, snack, and maybe have dessert during or after. I'm still glad I bought it, and it would be a nice gift to give at your next Bunco Christmas Party, gift exchange.

This cookbook is helpful if your bunco group serves a dinner and/or has a theme. I was hoping for more appetizer and snack recipes. No recipe photos, but areas to journal what you served, who was there and won. I like the size of the book, clearly written recipes, and the additional information on the actual game of bunco and starting a group. This book would make a nice gift to a bunco hostess or as a prize for a bunco winner.

Bought two of these for bunco gifts, which they were perfect for! Had some good theme ideas for bunco night as well as recipes. Wish I had bought an extra one for myself.

Given as a gift at my Bunco Christmas gift exchange and she loved it!! Perfect Hosting ideas!

I purchased this for a friend who was a member of our monthly bunco group who was moving away. Very nice inexpensive token for her to remember us by and hopefully use to start her own group.

I have Bunco in January 2016. Hope to get some good ideas.

ok
