Let's Meet After Five: Lesbian Billionaire And Interracial Romance

Synopsis

WARNING: This eBook contains mature language and content intended for 18+ readers only! Billionaire heiress and C. E.O. Alexia Deloitte knew how to handle a business but what she lacked was the confidence to stand up to her overbearing and chauvinistic father. Telling her father, she was into women was definitely not in the picture. In fact, to keep her father from finding out, she hatched a plan to be engaged to her best friend. But Paul was a gay. With a mutual understanding about their so-called "marriage", everything seemed to be working out. Until the day her hot new intern sauntered into her office. Alexia knew she was inviting trouble, but when afterhours became more than just business, she started battling with her growing feelings for this younger woman. Will the passion between them be enough to defy her father and confess her dirty little secret? Download for FREE with Kindle Unlimited! A standalone short story with a collection of 12 free bonus lesbian F/F romance stories inside!

Customer Reviews

Great book. Basically one woman trying to be something she is not because of her father but her intern spoils that for her when they engage in an affair. An easy and fun read.
