Customer Reviews

Not For Tourists (NFT) released their first book, a guide to Manhattan, in May of 2000. Today, NFT produces eleven books each year, working closely with city and neighborhood editors in Atlanta, Boston, Brooklyn, Chicago, London, Los Angeles, New York, Philadelphia, San Francisco, Seattle, and Washington DC. Their offices are in New York City.

The concept of this book is great, local hangouts and places "untouristy" however after looking through it's very basic for literally not knowing the area. It lists post offices, vets, dry cleaners, gas stations for each area throughout Atlanta. There is a very small portion of pages that have recommendations for quirky spots and hidden gems. Was hoping for a little more secret and less of the "basics".
