I play the piano at a couple nursing homes for church services based out of my church. I already had volume II, and decided that it was time to get some new songs. These are the classics that were sung in churches and played on gospel sings on the radio, etc., when the elderly were younger. They really like these songs. Many are also familiar to me, and they are fun to sing and play.

I love these hymnals. There are lots of great songs and they include the chords for easier playing. It arrived in excellent shape in the time frame expected.

This is a good collection of older southern Gospel songs. I got it for one song in particular that I was having trouble finding in print elsewhere. I have been pleased with the other songs in the collection as well.

This hymnal is great! I have several of the other volumes and I enjoy them all. All aspects of

ordering was enjoyable - shipping was fast.

Good collection with a lot of great gospel songs in it!

My son was very pleased with this item because of the wide variety of items found in this book.

Thanks so much!

I just love Gospel songs and I got what I wanted. I have been looking for the music for so long.

Spiral bound. Spiral was bent at bottom making turning pages very difficult. Sorry I bought it.
