Sylvia Woods' harp music books are among the most popular books for harpists at any level. They are playable on lever harps (also called Irish, Celtic, or folk harps) as well as pedal harps (also called concert, grand, or orchestral harps). Her multi-level books are easily accessible for both beginners and advanced players. In these books, Sylvia has created two arrangements for each piece: an easy version, and one that is more difficult. Beginners can start with the easy version, and work their way up to the harder one. The two versions can also be played "back to back" to make a more varied arrangement. More advanced players and pedal harpists can add extra notes and chords to the harder version, making their own unique arrangement. The two versions can also be played together as a duet

This is an important book to have in your repertoire during December. Even if you're not Jewish, it is nice to be able to play some Chanukah songs for the Jewish people attending holiday parties where you're providing the music.
