La Boheme In Full Score (Dover Music Scores)

Synopsis

"La Bohème is perhaps Puccini's most nearly perfect opera." —Hughes, Famous Puccini Operas. It has long been one of the world's most beloved musical works — an instantly enchanting blend of charm, warmth, gaiety, and pathos, brought to vibrant life by Puccini's sparkling, lighthearted score. La Bohème, based on Henri Murger's novel Scènes de la Vie de Bohème, was first performed at the Teatro Regio, Turin, in 1896. It soon became a staple of the operatic repertoire and has remained so ever since. Grove's Dictionary of Music and Musicians notes that "Puccini's music reflects the alternate gaiety and pathos of Murger's novel with a truth and sincerity to which no name but that of genius can be applied." Now musicians, opera enthusiasts, and all music lovers can enjoy the full score of this wonderful masterpiece in a sturdy, attractive volume. Reprinted complete and unabridged from an authoritative Italian edition, with English translations of the lists of characters and instruments and a new table of contents, this edition offers an inexpensive, high-quality score ideal for reading and study. It is a valuable aid to the full enjoyment of a unique and lasting musical landmark.

Book Information

Series: Dover Music Scores

Paperback: 416 pages

Publisher: Dover Publications (October 1, 1987)

Language: English

Customer Reviews

This is, unsurprisingly, one of the most-performed operas of all time, for its combination of story elements (boy meets girl, boy gets girl, boy loses girl, girl dies), beautiful melodies, and pure performability. The second act is only 19 minutes long, but it's amazingly complex--check it out in

this full orchestral score, a reprint by Dover of an out-of-copyright publication. Bear in mind that there is no English translation, but most recordings will have a copy of the words in English anyway, so they're readily available.

Italian composer Giacomo Puccini (1858–1924) created La Bohème, Madama Butterfly, Turandot, Tosca, and other beloved operas. He was the most popular opera composer in the world at the time of his death, and his works remain standards of the repertoire.

This score is printed for both study and conducting. It was easy to use. Thank you!!

It was exactly what my son needed. He was super excited to have obtained this item at such a great price. Thank you!!!

was hoping for English translation. otherwise, all was fine and as expected

I really liked it because it arrived in perfect shape. I would like also to recommend this product, it's a product of great quality.

Lately I've been looking into buying lots of scores and Dover is really the way to go. They're accurate, clear, well-made, and very reasonably priced. Will definitely be my go-to for scores from now on.

Puccini's La Bohème is among his most performed operas and this Dover addition full score is a great supplement to your enjoyment. The print is large and easily readable. The score itself is durable and will lie flat on your desk or music stand with ease. The best part is that it is the most inexpensive copy of the score one can find.

Beautiful looking score, easy to read.

I am doing a production of "La bohème" right now and this has been a great tool. Not too small and easy to follow!
