The God I Never Knew: How Real Friendship With The Holy Spirit Can Change Your Life

Synopsis

Who is the Holy Spirit, and exactly what does He do? Many people find the Holy Spirit mysterious, confounding—even controversial. Why is the third person in the Godhead—the one Jesus said would be the believer’s ultimate source of truth and comfort—the source of such confusion? In *The God I Never Knew*, Robert Morris clearly explains that the Holy Spirit’s chief desire is for relationship—to offer us the encouragement and guidance of a trusted friend. This insightful and biblically-based book moves beyond theological jargon, religious tradition, and cultural misconceptions to clarify what the Holy Spirit promises to do in your life:

- Dwell within you
- Be your helper
- Guide you into all truth
- Comfort you
- Pray for you
- Show you things to come
- Never leave you

It’s your time to experience the Holy Spirit in a fresh, new way—to meet the God you may have never known. Includes a small group study guide! From the Hardcover edition.

Customer Reviews

I have always appreciated Pastor Morris' preaching on Daystar. He has a wonderful delivery and his touches of humor add to his presentations. I have never understood why the Holy Spirit is hardly explained or mentioned by many preachers. Such an integral part of our belief in the Trinity yet seldom mentioned. I have tried to read about the Holy Spirit as to understand how he fits into my life. I have learned much from Pastor Morris' book and am now more aware of his presence especially in these dreadful times as I am more at peace. I wish more pastors would deal with this topic. I feel the people are desperately searching for spiritual guidance and need to hear it is readily available. I would hope anyone who reads this book would find his heart filled with the blessings of Pastor Morris' clear explanations and the love and guidance of the Holy Spirit. Blessings--L.

Am reading the book on my kindle and watching the series on cable too. Robert Morris is a wonderful speaker and pastor, very down-to-earth. As the title implies, he is also quite transparent. The book is powerful and comforting at the same time.

My mother in-law first read this book and raved about it. She has been a pastors wife for many years and knows what the Bible teaches. She stated that this is one of the best books she has ever read on the person of the Holy Spirit. She also stated that Robert Morris wrote this book with a boldness that is very refreshing. I also read this book and it has been life changing for me. I have a greater understanding of the Holy Spirit and the fellowship that he wants with us each day. This book is a must read for those who want to know the person of the Holy Spirit better and his power that enables us to live a victorious life. My father in-law Pastor David Schoch would have said "Amen" to this book.

Thank you Lord for Brother Morris being open to Your presence and then sharing his growth and understanding with us his brothers and sisters in Christ. This teaching has helped my husband and I both to desire to know Holy Spirit more. We both are trying to remember and remind one another daily of His ever present love and willingness to to teach, direct, comfort and guide us into the loving Truth of Gods Word to us. Holy Spirit has kept us in marriage and is refreshing us from being separated for over almost 2 years. Holy Spirit has drawn us back to the Father and each other because He loves us. We have been married for twenty years on Valentines day 2013. We just wanted to take a moment to thank you for sharing with us.....

Very fine book for pentecostals

This is the best book I've read on the Holy Spirit. It is simple, straight forward and scriptural. The author's easy to read writing style makes simple what many others seem to complicate- the Holy Spirit is here with us and wants to be involved in our daily lives and empower us to keep moving further toward Jesus and the journey He has for us.

This is a really good book. I like how Robert Morris takes you on his journey. Also like how he weaves scripture references to back up what he's saying into that journey. Saw things about the Holy Spirit I have never seen before. And came to new understandings of His importance to me as a believer. This was a God appointment in even hearing about the book. Thank You Lord.

Well written with excellent proof from scripture to establish without doubt that God has made available to every Christian the baptism of the Holy Spirit to equip them to walk in power and to speak with other tongues.
