Scandinavian Feasts: Celebrating Traditions Throughout The Year

Synopsis

Drawing upon her rich knowledge of Scandinavian cuisine and culture, expert chef and veteran writer Beatrice Ojakangas presents a multitude of delicious yet remarkably simple recipes in this cookbook classic, available in paperback for the first time. *Scandinavian Feasts* features the cuisine of Denmark, Norway, Sweden, and Finland, and it includes menus made up of a bounty of appetizers, drinks, smorgasbord, meats, fish, soups, vegetables, desserts, and breads. Easily as engaging as the dishes themselves, each recipe comes with an introduction that explains the cultural importance of the feast and details its seasonal significance. During the long, dark Scandinavian winter, the meals tend to be hearty and substantial. In Sweden and western Finland, a traditional Thursday lunch consists of pea soup and pancakes. A typical winter dinner might include Danish crackling roast pork with sugar-browned potatoes topped off with an irresistible ice cream cake. Christmastime gatherings, in particular, are often a chance to celebrate with a cup of hot glogg or Swedish punch. When the winter is finally over, the seemingly endless summer days are savored along with the fresh fruits and vegetables that are hard to find after the short growing season. During the white nights of Sweden and Norway, it is customary to serve a midnight supper after a concert or the theater, while a special occasion such as a baptism or anniversary might call for a feast of dill-stuffed whole salmon followed by kransekake, a beautiful towering ring cake of ground almonds. No matter what your level of expertise as a cook, the recipes are easy to use. The ingredients are commonly found in most grocery stores. *Scandinavian Feasts* is sure to delight enthusiasts of Scandinavian culture and lovers of fine food everywhere.

Book Information

Paperback: 274 pages

Publisher: Univ Of Minnesota Press; Univ of Minnesota PR ed. edition (February 2001)

Customer Reviews

Great Book, Good Pictures, Clear Recipes. Fast Shipping. great Purchase.

Great book

I bought it as a gift. My sister gave us a feast of wonderful food. A great time, we all want to go there.

This book has lots of great recipes and meal ideas. I haven't used any yet, but I definitely will soon.

Nice book with many good recipes.

I received my book is the best amount of time. I enjoyed this book very very much. I plan on buying and reading many more books. Thank you so much.

wedding gift. they like it

I have started to really appreciate Scandinavian cooking as a great culinary tradition, and this book brings this to life in a way that few other cookbooks do, by focusing on celebratory meals. Unlike other cookbooks, this is organized by celebration rather than by category. In other words, one gets complete meal plans rather than the normal organization by category approach. This is then a great resource for what one might serve for a specific occasion or seasonal festival. However, what this book could really use is a second index organized by category. Currently it's very difficult to locate a recipe unless you have a pretty good idea what it's called. As a whole, this is an outstanding work all things considered. I would highly recommend it as a Scandinavian cookbook.
