Customer Reviews

Loved the first 2 books and have ordered 3rd in the series of Lottie Parker the detective from Ireland. She is a very likable widow raising three children in a small town. The people she works with are likeable as well and. Patricia Gibney is a wonderful author describing scenes as if you were there. I hope to be reading many more books in the Lottie Parker series.

The novel just never let up! Just when I thought I had it figured out, something else popped up to give me second guesses. It was such a heart-wrenching tale I couldn't get a handle on it. Shows man's inhumanity to man. So many people hurt in unbelievable ways. Hope they can finally heal

somehow.

I've enjoyed Patricia Gibney's books immensely. They are not for the faint of heart as they are quite graphic, but in such a well written manner. Very much looking forward to her third book. They truly are page turners.

This one had me saddened by how this is and can be true. Also the sadness in the end had me in tears. Not only is this a thriller it's a story of true life issues. This author gripped me in and has me as a true fan!

The main character was painfully unlikable. It often felt like I was watching Hong Kong Phooey. Did y'all ever watch that when you were kids? He always fumbled around and was accidentally there when the mystery was solved but was as dumb as a rock. Sums up the inspector.

She's done it again. I remain amazed at this author's talent. Another book I can't stop reading, a mystery not solved until the very end, and characters I have grown quite attached to. I look forward to further pursuits of Lottie Parker.

Good concept. Took a little long for things to move along. Some unexplained holes in plot but overall a good read. Hopefully in next book Lottie starts to hv it better. I like her n she needs a break. Very good ending. I was suspicious of the killer when first met but moved on as well. Hope to see more of the parkers

Another stunning mystery/suspense move!! As I stated before this author has become another favorite of mine. I will look forward to more of her stories.
