## Customer Reviews

Amy Parker's children's books have sold more than 1 million copies, including two Christian Retailing's Best award-winning books and the bestselling *A Night Night Prayer*. She lives outside Nashville with her husband and two children.

I purchased this book because we don't celebrate Halloween, yet I wanted my son to instead see the beauty of God in the creation and how we thank him for things like Fall, pumpkins etc. However, this book has only one mention of God (at the very end) and has a Jack-a-lantern. I know everyone has various beliefs regarding Halloween and that your prerogative, but for parents, who like me, were looking for Non-Halloween themed books to celebrate the changing seasons and keep in line

with pumpkins as a theme, this is not the book for you.

Autumn is one of my favorite seasons, and I loved reading this sweet book with my toddler. The pictures are precious, and the rhymes are sweet.

The parents of the little one I gave this book to texted me to tell me how much they enjoy it! I gave it to a 15-month old for Thanksgiving.

will be reading this to the children at church

Very cute and colorful book. Gave it to a 17 month old boy and he loved looking at the bright, colorful pictures. He also loved the feel of the leaves on the cover of the book.

sweet but not schmaltzy.

Adorable book given to my grandchildren as an alternative to Halloween books. They loved the story

My small grandchildren love this book - so much I just bought her Christmas prayer....
