Customer Reviews

There just isn't much out there on Lourdes outside of the St. Joseph picture books. This one is beautiful, has charming illustrations, and tells a STORY rather than reporting information like an encyclopedia or traditional saints book. Well worth the price. We read it for Lourdes and in April for Bernadette.

I felt like this book was a little longer for a children's book. It didn't really keep my 4 year old's

attention. Maybe it would be better for an older kid, but the pictures were nice and the story arc was fine.

Beautiful artwork and a lovely story. My daughter loved it.

We love this story! My kids really like St. Bernadette and this is a sweet, well illustrated version of her story.

Beautifully written and inspiring. I read it to students at my Catholic school and they are fascinated and drawn to Mary and Jesus!

I GAVE AS A GIFT TO A CHILD,,,SHE WAS HAPPY WITH BOOK,,,

This is a cute book on St. Bernadette. It has nice pictures and the story is factual and captivating. I enjoyed it a lot.

This book is nicely written and illustrated. My son and daughters ages 9, 7 & 6 all like the book.
