Customer Reviews

Kids loved it and it was fun for those of us who've had to sit through hundreds of Thomas episodes as well.

My grand son loved it

This book was a wonderful & interesting challenge for Thomas the Train lovers...kid & adult alike. I, of course, could not answer all of the quiz questions, but I am confident that our 6 year old grandson

could do a great job. A great addition to the world of children's books.

OK. We're past the Thomas stage in our house, but this book just brings a smile to my face. I can't wait to share it with up-and-coming Thomas fans!

My son (6) is a big fan and really enjoyed this! A fun little exercise after reading or watching Thomas.
