KlĀjra MĀ ricz is Joseph E. and Grace W. Valentine Visiting Assistant Professor of Music at

Amherst College. David E. Schneider is Professor and Chair of Music at Amherst College.

This is a wonderful resource, which adds to the The Oxford History of Western Music College Edition which has Cross References throughout. This is Volume Three covering "The Twentieth Century" together with CD's which are available either in a Concise or full version for each Volume -- which are cross referenced throughout the College Edition, which allows anyone interested in Western Music to "see" (and "hear") the rich heritage that has come to be Music as we have it today.

This book was a pain in my ass. That has nothing to do with this seller, they were great.
