Poland (Eyewitness Travel Guides)

Synopsis

DK Eyewitness Poland travel guide will lead you straight to the best attractions this diverse country has on offer. Packed with photographs, illustrations and detailed maps, discover Poland region by region; from the historical delights of Warsaw and Cracow to the enchanting Alpine scenery and vibrant nightlife hotspots. The guide provides all the insider tips from visiting the postcard-pretty ski resorts to enjoying spectacular national parks and Baltic coastline, with comprehensive listings of the best hotels, restaurants and nightlife in each region for all budgets. You'll find 3D cutaways and floorplans of all the must-see sites plus street-by-street maps of major towns and cities. DK Eyewitness Travel Guides are the only guides that work equally well for inspiration, as a planning tool, a practical resource while traveling, and a keepsake following any trip. Each guide is packed with the up-to-date, reliable destination information every traveler needs, including extensive hotel and restaurant listings, themed itineraries, lush photography, and numerous maps.

Customer Reviews

I do most planning on-line for all trips. However, the country series of DK travel books are a must for me. They are very comprehensive; have four-color printing with heavy quality paper and lots of photos; and are small enough to pack in the carry-on bag. The details they provide on the cultural and historical aspect of your destination is without comparison. My husband and I both love them and read every relevant page before leaving on the trip. They are the "can't leave home without it" kind of travel book. Well worth the splurge!

I bought this when traveling to Krakow and Gdansk. It has good pictures and information on major

attractions. But, in Gdansk the information was limited. The reviews of restaurants were also not very detailed. I also got Rick Steve's guide to Warsaw, Krakow, and Gdansk. The information was much more detailed and opinionated and it gave great ideas for walking tours and restaurants.

LOVED IT. I know people in Poland and they told me to visit many of the places the book did. It shipped fast and I love all the helpful icons and explanations. It's small and can fit in a small purse/backpack. The restaurant recommendations were spot-on. I will re-use this when I go back!

Too many pictures. Lots of flash. Very little substance. Feels a little outdated. Too heavy to bring on a trip (if it had more info, it'd be worth the extra weight). I'd return it if it weren't so difficult.

Decent pictures. Succinct material. This book is a good starting point if you desire to travel to Poland and are not sure where to begin.

Good book, highly recommended for travel in Poland, good maps. The books of the Eyewitness Travel Guides always are good books

You can't beat DK for travel guides! The book is organized by regions and the travel hints are very helpful.

My husband and I are getting ready for a trip to Poland. He has read the book from cover to cover and has all his ideas of what to do and where to eat written down. I'm sure the book is going to make our trip much more pleasant.
