Southeast Asia: 50 Common Phrases: Covering Thailand, Vietnam, Malaysia, Indonesia, Philippines, Burma, Cambodia & Laos

Synopsis

50 Tried and Tested Common Phrases for each language
Are you planning your trip to South East Asia? Are you hoping to get a little deeper under the skin of the fabulous culture by picking up a few choice phrases? Southeast Asia is a true assault on the senses. You'll take your life in your hands crossing the road, treat your taste buds and encounter some of the friendliest people on the planet. Whether you'd prefer to relax on a silky Thai beach, search for orang-utans in Borneo or go tomb raiding in Cambodia, you can impress the locals you come across by arming yourself with a few essential phrases. Due to the complexity of the script this eBook is not for people who're going to start down the road to fluency. This isn't full immersion, it's more like dipping your toe into the Mekong which will enable you to, among other things, be polite and respectful to your hosts, barter for souvenirs and communicate during emergencies. Chapters include: 1. Quick Etiquette Guide 2. Basic Phrases & Greetings 3. Language & Communication 4. Shopping & Money 5. Eating & Drinking 6. Health & Emergencies 7. Basic Numbers

Customer Reviews

This is a concise guide to the most common phrases that travel manual include. It covered many countries, which was cool, but didn't have a lot of phrases

The idea of this book is great, but the different sections are not consistent in their set up. Some show the phonetically pronounced word, some don't. Some of the same words show different pronunciation, without explanation. In Thai, requesting spicy food and not spicy food are the same words...which makes me a bit uncomfortable. It just needs more editing.
