Choice Visits In Yorkshire And York, A 2017 UK Guide (Choice Guides To Yorkshire)

Synopsis

A guidebook to a selection of many enjoyable places in Yorkshire, each one visited by the York-based author. It's a careful mixture of well-known Yorkshire classics and little known gems which you won't find in other guidebooks. Castles, stately homes and many gardens and beautiful old towns like York, Knaresborough, Richmond and Beverley. Walks among Dales crags and waterfalls and along the cliffs of the Yorkshire Coast - all picked for easy reach by public transport. Many places with family appeal, plenty of seaside activities: Whitby, Robin Hoods Bay, Scarborough, Filey, and Flamborough Headland. Seal-watching, sea caves, fossil hunting and boat trips on the North Sea. Cave exploration, rock climbing for children and a llama trek in the Dales. A whole quarter of the book is about York. Guided walks round York's Cathedral and City Walls highlight entertaining features and add quirky historical anecdotes. Profiles of all York's charming old buildings which are open to visitors, including restaurants, cafes and pubs in historic buildings, plus eleven very different museums. This book incorporates updated full text of 'The Choice Guide to York' by the same author. This is the largest Kindle guidebook on York and the one which gets most frequently updated with the latest information, since the author lives in York. Every place described can be reached as a day trip from York and Leeds and almost all by public transport. Every entry includes postcodes for GPS navigation plus journey time by public transport. Maps are included - mostly designed for visibility on a Kindle. For overnight tourist accommodation, each locality has a section about Yorkshire's best on-line services for finding accommodation there. An innovative 'Quick Search' index system utilises Kindle electronic links. You can quickly look up all entries which, say, are open in winter or are indoor activities or free of charge or which might interest children or fit various specific interests. You can see the full list of categories of interest within the large Kindle free sample. AVAILABLE AS EITHER ONE LARGE BOOK OR FOUR SMALLER ONES Also available as four shorter Kindle books, which can be bought separately. See Author page: www.patmore.co.uk/Charles-Patmore/e/B00A1SUU2O The full-length book, 'Choice Visits in Yorkshire and York', includes extra features not found in the four shorter books: a descriptive calendar of this year's Yorkshire festivals and events an innovative 'Quick Search' index system a much historical background information a practical and cultural information for visitors from overseas. The best way to grasp what the full-length book has to offer is to look through the large free sample.

Customer Reviews

Very well written, full of useful tips and a lot of links to easily navigate the entire book. I am very satisfied with this purchase. The e-book works perfectly on my kindle device.

I used this guide on my Kindle recently when I visited York and the Yorkshire coast. It's packed with lots of good information, and with the Kindle and a wi-fi I was able to get even more info from the links provided in the guide. My only problem was the fact that I couldn't carry my Kindle on rainy days, and we had a few of those. This book was still a great help, though.

This is a very informative and easy to read book. I would highly recommend it to anyone planning a visit to Yorkshire. It is organized well into chapters that refer to certain areas of Yorkshire and York and this makes it easy to find details of the area that you are planning to visit. It is written in a clear and concise style, as well as having some interesting and unusual details. The weblinks to local attractions are easy to use and make it excellent for easy use on a PC, or on a Kindle or laptop 'on the go'. It is much easier to use than in any paper travel guide, as further information can be

obtained instantly via the weblinks about any attraction or area of interest. The information about local accommodation and public transport is a very valuable addition and means that it can be used by visitors looking for day trips as well as those needing to plan accommodation
