Slow North Yorkshire Moors, Dales & Coast, Including York: Local, Characterful Guides To Britain's Special Places (Bradt Travel Guide Go Slow Yorkshire Moors & Dales)

Synopsis

Slow is a new series from Bradt that encourages visitors to slow down and savor the best of Britain's rural destinations. The series' three launch titles are Slow Devon, Slow Norfolk & Suffolk, and Slow Yorkshire. Each is written by an author resident to the area, and delves into unsung delights and personal favorites not covered by other guidebooks, from conservation projects to boat trips, wildlife holidays, restaurants using locally sourced ingredients and scenic walks. The series is published in conjunction with Alastair Sawday, whose book Go Slow England is drawn from a nationwide database of restaurants, accommodation providers and other businesses.

• Slow guides take time to point the way. • - Hugh Fearnley-Whittingstall

Mike Bagshaw is a freelance travel and nature writer with regular columns in various regional magazines and newspapers; he has lived and worked in North Yorkshire for more than 25 years.

This book is informative and helpful, but if you're expecting something along the lines of Bill Bryson, prepare to be disappointed! Worth the money, though, if you plan on visiting Yorkshire, because it does showcase some hidden gems.

I love these Bradt travel guides. They are a little eccentric, but VERY informative.

Super!
