Messianic Code Of Jewish Law

Synopsis

The enclosed "Messianic Code of Jewish Law", is an adaptation of those aspects of Jewish Law which every believer should know and do. Each law is based upon a Biblical Mandate, and each precept is based upon how to observe that Mandate. Under the Messianic Covenant we have an enhancement of the concept of law administered in love. The love of a father with a child expresses a new concept of legal administration not previously in evidence, but is expressed more specifically in the Messianic Covenant.

Ray Looker is a disciple of Yahshua the Messiah, an apostle of the Messianic Jewish faith and has been a Professor of Theology. Ray is committed to preparing the Church for the coming of the Messiah. Ray spent 14 years in the U.S. Army as a Senior-Ranking Non-Commissioned Officer. His military assignments took him to Greenland, Germany, Norway and Vietnam. He served in seven major campaigns in Vietnam, and has spent over 30 years as a Missionary and Professor in Europe, China and the inner-cities of America. With graduate degrees in Law Ray worked as a Law Clerk in a Public Defender's Office and with a District Court Judge while doing post-graduate work for a Doctor of Theology Degree. His post-Doctorate research in Educational and Motivational Psychology allowed him to be a Program Manager in an epidemiological study of mental illness for the Department of Health and Mental Retardation for the State. He later served as a Director of Compliance enforcing a Federal Court Order on a maximum security prison for the criminally insane, a Justice of the Peace, a Notary Public and as an Auxiliary Police Officer in the

State of New York. Ray ran for the House of Delegates and as a Magistrate with the idea that government servants were to be held accountable to the people for their actions. In addition Ray has also served as Pastor in a Christian Church, and as Messianic Rabbi in a Messianic Jewish Congregation. When the Messiah comes all men will be commanded to observe the Commandments of Yahweh, i.e., the Feasts of Yahweh, His Sabbaths, the New Moons, and the Dietary Laws of the written TORAH. Ray's work and ministry is to prepare and to teach Believers the importance of keeping Yahweh's laws and commandments in accordance with His wishes and desires for us. It might be noted that not one so-called Christian Holiday or Sabbath will be observed in the Messianic Era and Kingdom of our Lord when He comes. To raise up the Tabernacle of David in preparation for the coming of the Messiah the Church must rebuild and restore Christianity upon the bedrock foundation of the Apostles and Prophets, which is the written TORAH. Ray's first book began his journey in the Messianic Jewish faith. His many books on Messianic Judaism are a testimony of the dedication of his life to preparing the way for the coming of the Messiah. As he is able, he intends to make these books available on the internet for worldwide access to everyone everywhere.

There is an ongoing movement where Christian and Messianic Jewish believers gather together. This is a very good thing, but it does create some obstacles. One of those is how do we combine law and grace? Elements of the Mosaic covenant, and the covenant of grace must meld together in full truth. Truth that both the Jewish and Christian believers can mutually accept. Too much grace without enough law is out of balance, but the vice versa also misses the mark. Since the bible contains both principles, finding the proper recipe is difficult indeed. In my opinion, this book leans heavily towards the side of law keeping. I cannot recommend.

this book is great on the insight on the Jewish law and help you to understand just a little more about Messianic life.

I'm very glad I got this book, I am Messianic and needed information so I could worship more properly, there should be more books for us

This book is great book and I would recommended it to those seeking understanding of Torah in relations the the Messiah.

Pretty good, but I have others that I have read and this one has just been added to my collection.

This is a very good book for study and to learn to follow God's laws with. Thank for such a comprehensive study and the enlightenment put in terms in which everyone can understand.'Celestial McGarrettShalom

awesome book, My wife and I are Torah observant Christians. Very informative book. thank you, taught me in a clear way the Jewish roots

To me I find it very enlighten. An eye opener for me in many areas but not for everyone. One must be firmly grounded in his Christian belief, full of the Holy Spirit, and have understanding of a Messianic Congregation. The focus of this book is on those Laws which Yahweh Himself spoke of that will be observed "from this time and for every".
