Great book. For Women Only is also great. Eye opening and sometimes shocking. Don't listen to these books on audio. The authors read them themselves and talk to you like you are a child. They are super cheesy and make you hate the book because their voices are so annoying.

Here it is men $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\nabla \tilde{A}$ â ∞ a straightforward guide to the inner lives of women. I must confess as I read that claim I thought of the apocryphal story of the man who found a magic lamp and was granted only one wish. He wished for a road to be built from America to Europe so he could drive to Europe. The Genie informed him that $\hat{A}f\hat{A}\hat{c}\hat{A}$ \hat{a} $\neg \hat{A}$ $\hat{a}_{,,c}$ quite unreasonable. This book makes good on the claim that you can gain greater insight into how women think. The authors, Shaunti and Jeff Feldhahn, have created this book as a companion guide to their earlier book, For Women Only. For Men Only shares the results of hundreds of personal interviews, anecdotal information from women $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s focus groups, and a national survey of four hundred women. It's a book written by humans on how to explain human relationship challenges. Probably the next best thing to the Bible or New Testament if you're a Christian, for relationship guidance. One reviewer who gave the book a bad rating quoted this from Bible scripture: 'The words of the wise are like goads, and like nails firmly fixed are the collected sayings: they are given by one Shepherd. My Son, beware of anything beyond these. Of making many books there is no end, and much study is weariness of flesh.' Ecclesiastes 12:11-12. If we're a Christian, God's word needs to come first in our lives as a general rule, and it always has for me. I am currently reading this as second place. The author makes it a point to state that he thinks relationships are most fulfilling when they're focused on Jesus Christ. I thought that's what's all I needed, but most Christian women (and men) I've been around in church would rather play, socialize or be busy with other things, than to pray or focus on the Bible. This affects me--'we are members of one another' Ephesians 4:25. So, that is why I turned to this book, for help. It is a book that all people can read and they don't press Christian stuff on people too much I think which is beneficial to many. Also the few facts written about men in here, like the fact that we're wired for visuality, we tend to focus on one thing at a time, and we think we should be the main ones providing things (that come from a job), are all pretty much true for me

as a man. Some people who read this book or the other one, complain because it doesn't describe them or thier partner. The author makes it very clear in the beginning that this is not a one size fits all. The author is a good writer but as one other reviewer says, the survey info seems to be exaggerated. Particularly the chapter beginning on "Listening"
