Boston - 2016 (The Food Enthusiast's Complete Restaurant Guide)

Synopsis

There are many people who are enthusiastic about food—the cooking of it, the preparation of it, the serving of it, and let's not forget the eating of it. But Sebastian Bond is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. “Exciting” does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of “sensible alternatives” for those looking for good food handsomely prepared by cooks and chefs who really care what they “plate up” in the kitchen. For those with a touch of Guy Fieri, Bond ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Sebastian Bond not to disappoint. Bond dines anonymously at the Publisher's expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Appétit!

Average Customer Review: 3.0 out of 5 stars 5 customer reviews

Best Sellers Rank: #923,887 in Books (See Top 100 in Books) #88 in Books > Travel > United States > Massachusetts > Boston #518 in Books > Travel > Food, Lodging & Transportation > Dining

Customer Reviews

This "complete restaurant guide" lists only 18 restaurants. And not all of them are still in business. In order to flesh out the book's 44 pages the author uses photographs (about 1/4 of the book) and line drawings (5 pages of them). When you also consider the index (why does an alphabetized list of 18

restaurants have a 2-page alphabetized index?), the title page, the table of contents, the excessive use of white-space (including one blank page) and the other-books-by advertisement, this is basically a 10-page pamphlet.

Extremely limited entries, information was good but I actually expected a "complete" guide to good restaurants in Boston. If this guide is correct, there are only a handful. We were visiting the city and this book really let us down. Use an app.

Few restaurants (less than 40) and short reviews. The only good thing is the direct link that can be used in Kindle mode. There has to be better guides than this in the market.

GREAT GIFT FOR MY FOODIE SISTER!

Moving to Boston-this is a great reference, even if some of the restaurants no longer exist. These books cannot keep up to date with comings and goings of restaurants. But the history of food neighborhoods is very interesting. Highly recommend.
