Harmonica Songbook: Irish Songs & Ballads

Synopsis

Thomas Balinger Harmonica Songbook Irish Songs & Ballads A collection of Irish Songs & Ballads, arranged for easy Blues Harp (10-channel diatonic harp, system Richter) in C. You'll find the "classics", but you'll also encounter songs not as common and maybe even some you might never have heard before. This book is aimed at the beginning to intermediate player. The songs have been transposed and arranged for easy playing so you can play all of them without having to master advanced playing techniques like bending and overblowing first. Whether you're a complete beginner or have been playing for some time: these songs you can play right away. All songs feature additional harmonica tablature. This system of graphical notation tells you exactly what to play, making it ideally suited for beginners and players who don't read standard notation. Plus chord symbols and guitar chord diagrams. If you happen to have any guitar playing friend(s), you can start playing these songs together right away!
