It Gets Worse: A Collection Of Essays

Synopsis

THE INSTANT #1 NEW YORK TIMES BESTSELLER New York Times bestselling author Shane Dawson returns with another highly entertaining and uproariously funny essay collection, chronicling a mix of real life moments both extraordinary and mortifying, yet always full of heart. Shane Dawson shared some of his best and worst experiences in *I Hate Myselfie*, the critically acclaimed book that secured his place as a gifted humorist and keen observer of millennial culture. Fans felt as though they knew him after devouring the New York Times, Publishers Weekly, Los Angeles Times, and Wall Street Journal bestseller. They were rightâ | almost. In this new collection of original personal essays, Shane goes even deeper, sharing never-before-revealed stories from his life, giving readers a no-holds-barred look at moments both bizarre and relatable, from cult-like Christian after-school activities, dressing in drag, and losing his virginity, to hiring a psychic, clashes with celebrities, and coming to terms with his bisexuality. Every step of the way, Shane maintains his signature brand of humor, proving that even the toughest breaks can be funny when you learn to laugh at yourself. This is *Let's Pretend This Never Happened* and *Running With Scissors* for the millennial generation: an inspiring, intelligent, and brutally honest collection of true stories by a YouTube sensation-turned one of the freshest new voices out there.

Customer Reviews

Praise for *It Gets Worse*: "Dawson exhibits his signature brand of twisted humor and neuroses in his second volume of personal essays. [His] journey is fraught with sadnessâ |and comedyâ |His self-deprecating and outrageous humorâ |deserves comparison to David Sedaris." (Publishers

Weekly)â œThese 13 essays collected here areâ |humorous, but some are quite movingâ |One a humor scale of 1 to 10, 1 being meh and 10 being a hoot, Dawsonâ™s essays earn a solid 7. Teen fans of David Sedaris will enjoy Dawsonâ™s perky essays." (Booklist)"Shane Dawson brings us possibly â " no, definitely â " the most hilarious read of summer. In this uproarious essay collection, Dawson unleashes all his wit and explores his mortifying childhood and every awkward moment as he came to terms with bisexuality. Overflowing with humor and sharp observations on the struggles surrounding modern culture, *It Gets Worse* is comfort food for the millennial soul." Â (Sunset Magazine)â œIf you're a fan of his, it's safe to say this is already pre-ordered for you, but if you haven't been introduced to this YouTube sensation, I'd recommend checking him out if you're a millennial who loves to laugh.â •Â (Bustle)"Like Dawsonâ™s previous book, *I Hate Myselfie*, *It Gets Worse* is a collection of humorous autobiographical essays...laced with both bracing honesty and Dawsonâ™s signature humor." Â (Entertainment Weekly (ew.com))Praise for *I Hate Myselfie*:â œThough Shane is infamous for his biting wit and crude humor, *I Hate Myselfie* is as much heart as it is crass.... [It] proves that laughing at yourself can help overcome even the most embarrassing experiences.... Shane may 'hate his selfie,' but his millions of fans will love it.â • (AccessHollywood.com)"This book is a haven for difference in a sea of more of the same with YouTuber books. The essay approach really worked for the book." (The Guardian)

Ok so its Shane Dawson so its gonna be explicit, but I got this for my friend since she loves watching his videos and I read a few chapters before I had to wrap it up and give it to her. The way Shane writes is hilarious, the way he looks on his life going about it with jokes is something I can relate to and I am sure that everyone else can too nowadays! I was on the edge about it thinking it was going to end up being pretty boring, but man was I wrong! I cound't put it down!! If you're looking for something comical but also sensible and warms your heart, go for this! You will not be disappointed!! Shane rocks and shows you how to block haters like a BOSS.

Been a big fan of Shane's for years and this book is better than his last, makes all those horrible embarrassing moment from our childhood seem so little compared to his ;p

Shane is an amazing writer. His short stories are so entertaining and you end up reading through the stories so quickly that before you know it, you've finished the book!

As a 33 year old I found myself on YouTube more and more on my free time and Shane was one YouTuber that caught my attention enough to subscribe to and set up notifications. His entertainment was right up my alley. I got myself into a new hobby of reading books and Shane's book was the second book I purchased (after Amy Shumers book) and enjoyed it enough to read through the whole thing in 5 nights. It had enough entertainment to have me chuckle a little laugh here and there out loud while reading it.

I'm in my 30's and recently stumbled across Shane's YouTube channel (I know I must live under a rock). I find him funny and when I found out about this book I bought the kindle edition right away. I was expecting to like the book; however, I LOVED the book. He makes you feel like you're just sitting there talking to your best friend about real life ups and downs. His honesty and "rawness" had me tearing up at times and I was consistently laughing along. One of the best books I've read in a long time.

I am absolutely in love with this book I got it yesterday as a Christmas gift and was not able to put it down until 4am when I finally feel asleep book in hand woke up several hours later to complete it. This book left me wanting more and more with each page turn I pray that Shane continues to write these books so I can spend complete day of my life reading his stories laughing, crying, and relating to so much. I love you Shane keep it up. Ignore all the haters! Because you are literally EVERYTHING :)

Just finished the first chapter, if you are confused about whether or not you should get this, you definitely should, so amazing.

This book is written with wonderful humor and pushes the message to young people that as tough as growing up is, they will be in a position of looking back at it all one day and will have managed to navigate through the changes. It is an encouraging book that would appeal to young people since it doesn't preach, but isn't afraid to lay it all on the line.
