Product Dimensions: 0.8 x 6.8 x 9.8 inches

Shipping Weight: 1.3 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,906,891 in Books (See Top 100 in Books) #20 in [Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Medicine](#) #354 in [Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > History](#) #126328 in [Books > History > Americas > United States](#)

Customer Reviews

Anyone who undertakes a study of Civil War medicine must begin with this introduction to the literature. Virtually every important publication about the subject is included. The annotations are brief but informative (and occasionally humorous---see the author's reviews of his own works).

I am familiar with many Civil War bibliographies and I find that this is the place to go if you want to find out something about Civil War medicine.

This is a very interesting list of works about medicine during the Civil War. The author has the knack of getting the essence of some very complicated publications. I found that this bibliography enabled me to enter the whole field.
