Ten Must-See Sights: Prague

Synopsis

Did you know that Prague served as the seat of power for two Holy Roman Emperors? Or that it avoided the worst of the bombing in World War Two, so that today it boasts one of the world's most intact historic centers? Ten Must-See Sights: Prague does exactly what it says on the tin, giving you the background and history on the city's top ten must-see attractions. We don't fill endless pages with hard-to-read maps and difficult-to-download photos; there are ten chapters of text, one on each attraction, all written by our team of experienced travel writers.

Customer Reviews

I ended up buying this twice, first on my Kindle, then in hard copy. I only had a few days in Prague and this guide was very useful. I realised that despite the weight, the hard copy was infinitely more useful to me than the kindle version, and I was able to buy the book in English in Prague. Great photos, well laid out, good tips and information.

good book of tips

Been to Prague a couple of times. This book is not as helpful as the traditional travel books which include Prague.

Informative but map was too general and not helpful navigating the twisty streets of Prague.

good transaction!

Very helpful for getting around Prague.

Visiting Prague this summer. Purchased this in hopes of getting an overview of what to see. Helpful read. Would recommend for Kindle readers.

It's a great guide to learn about Prague, the places to visit and the history of the city and each place.
