Chicken Soup For The Teenage Soul III: More Stories Of Life, Love And Learning (Chicken Soup For The Soul)

Synopsis

The third volume in the Chicken Soup for the Teenage Soul series promises more love, support and inspiration for the series' loyal teen readers. More and more, life is a struggle for teens. Not just dealing with the tragedies that seem to plague them so often, but also handling the daily pressures that pervade their lives. This book, like the first two volumes in the series, will help them, and will serve as their guide and constant companion. The original Chicken Soup for the Teenage Soul, a New York Times bestseller, has sold over 4.5 million copies. Its successor, Chicken Soup for the Teenage Soul II, a #1 New York Times bestseller, has already sold over 2.2 million copies. The third volume in this blockbuster series promises to be every bit as successful as the first two, as teen readers continue to cherish and be inspired by this series. Chapters focus on love, friendship, family, tough stuff, growing up, kindness, learning lessons and making a difference. In keeping with the themes and content of the Chicken Soup for the Teenage Soul series, teens will also find support, encouragement and understanding from their peers, as well as from caring and compassionate adults. This book is a must-read for all teens—a book they will read and reread, sharing their favorite stories with one another over and over again. It is also the perfect gift for all adults to give to the teens in their lives.

Customer Reviews

Sometimes the best way to get through hard times is finding out you're not alone. The books in the

Chicken Soup for the Teenage Soul series have provided just that reassurance to millions of teens in the few years since the first was published. Much like the earlier volumes, the third in the series features stories, poems, and cartoons, most of which were written by teens themselves. Twenty teen reviewers read every submission, narrowing the selection down to 5,000 favorites. Editors Jack Canfield, Mark Victor Hansen, and Kimberly Kirberger made the final cuts. The result? Packed with compassion, heartache, love, experience, and wisdom, Teen III (as the editors refer to it) is every bit as inspirational as the earlier editions. Most of the stories are contributed by young, unpublished writers, and the quality of the writing is good, if a touch melodramatic at times. But then, adolescence is nothing if not melodramatic, and the audience undoubtedly will relate perfectly to the tales of betrayal, friendship, identity crisis, parental clashes, and painful crushes. The editors have organized this collection into nine categories: Relationships, Friendship, The Power of Love, Family, Lessons, Tough Stuff, Overcoming Obstacles, Self-Discovery, and Growing Up. A great source for laughs, advice, compassion, and the comfort of knowing that we're never as alone as we think. (Ages 13 and older) --Emilie Coulter --This text refers to the School & Library Binding edition.

Grade 5-9-Fans of Chicken Soup are invited back for a third helping with this abridged version of the book (Health Communications, 2000). Storytelling is done by teen narrators David Kaufman, Ashley Peldon, and Kimberly Kirberger. The topics of the stories range from boys to bullies to bulimia. Most of them focus on teen concerns. The use of young narrators helps to give each story a sense of reality that should connect with many young adults. Using different voices for the title, a quote, and then the text of each story causes a little confusion at the beginning of each story. Purchase where the series is popular. Todd Dunkelberg, Deschutes Public Library System, OR Copyright 2000 Reed Business Information, Inc. --This text refers to the School & Library Binding edition.

This book inspires teenagers to believe in themselves without being sappy or judgmental.

Awesome book

nice book

It is good for teenagers who go through a lot of different problems in their lives. Not good for people under the age of 13. They wouldn't completely understand the book but it is a good learning experience for people to also know how you feel/felt when you went through that. Very relaxing yet

very suspenseful

love it great book for teens.

I bought this book for my 14 year old daughter she loves the book but I am not happy that it took 20 days to get here though

two thumbs up

They use to read this book in elementary and i want read it my self.
