I love this book, many different recipes that are all excellent. I'm a Jamaican who has learn to cook from my Dad, Mom and Grandma. This book taught me some things that I didn't even know of. Get this book.

My Jamaican husband was very pleased to see the very familiar recipes he grew up eating, and I cant wait to make some for him! :)

The book is OK. But for me, it did not really address everyday down home simple cooking as it's main focus.

The book is awesome. I had a previous version, but bought it again as a gift. They loved it!

Waste , no spices or how to marinate food
