A Handful Of Flowers: A Christian Romance (The Callaghans & McFaddens Book 0)

Synopsis

This Christian romance novella of 34,000 words is the first book in The Callaghans & McFaddens series from author Kimberly Rae Jordan. When Emily McFadden first met Steve Callaghan, her only goal had been to gain his permission for his son to come over to play with hers. When she realizes that he is in need of help caring for his four sons, she decides to see if heâ€™d be interested in making a deal. Sheâ€™d help him with his boys, and heâ€™d help her with the repairs to her aging house. Steve makes it clear heâ€™s not in the market for a wife which is just fine with her. She has her own reasons for not wanting to get involved romantically. Steve has no interest in a relationship after having dealt with his ex-wife and her rejection of their boys. However, he finds himself drawn to Emily as she showers his boys with love in the same way she does with her own four children. But is it just gratitude or something more? Is it possible that God has a different plan for their families than what theyâ€™d thought they wanted? Stayed tuned for the next Christian romance - A Change of Heart - in the The Callaghans & McFaddens series coming July 2016. Customer Reviews

I have really liked every one of Kimberly Rae Jordan's books. This one is no exception. This one is a novella to set up a new series. However, it feels complete on its own. A widowed mother with 4 children and a divorced father with 4 children really don't seem to be the characters that most authors would set as the centerpiece to their story, but this book does it and in a believable and sweet way. It doesn't minimize the hurts and challenges, but shows hope in making it past the hurts.

A Handful of Flowers by Kimberly Ray Jordan is a Contemporary Romance Novella about new beginnings. Emily, a widowed military wife has four children to take care of. She meets Steve at the bequest of her youngest son. Her intentions are to invite Steve's child to come over sometime, but when she arrives, her heart makes decisions her mouth did not give permission to, and she offers to take on all four of Steve's children after school if he would come and fix some of the little repairs her house needed. Steve does not want a wife. His ex threw him and his four boys away without a thought, and he has no intentions of reliving that horror or putting his kids through it, so when Emily brings over baked goods and offers to take care of his kids for house repairs, he gets on the defensive and makes it perfectly clear he's not in the market for a wife. This is a very light read. I'm not sure how believable the plot is. As a teacher, I find it hard to believe that eight kids under the age of twelve did not have more chaos and craziness. These were the most well-behaved children I have ever seen. I also did not get a good feel for the chemistry between Emily and Steve. But that's just my personal opinion. It was a sweet story. If you're in the mood for a quick, light read, pick this book up! Three Stars!

I love this author she never fails to capture my heart or my attention with her series and this new one is spot on. The books are well written and the characters are real and human. Kimberly writes christian novels with wonderful stories of imperfect people dealing with what life has handed them. In this new series two people who have both experienced loss one from the death of a spouse and

the other from desertion of a spouse blend their two families by marrying and thus begins a whole new series of people to fall in love with. I love her books they are clean, well written, religious without being preachy, and a good read on any given day. I am looking forward to the unfolding drama of these two families as the children grow and find love.

Steve and Emily meet when Emily's son Ryan wants Steve's son Mitch to come play at his house. Steve and his four boys have just moved into town. Emily welcomes the family with baked goods and offers to watch the boys after school and feed them dinner if Steve will take care of some home repairs for her. As the families spend time together, a lot of time, they become close and even though Steve was not looking for a wife, he found one. A great story. Very romantic. Was fun to watch the kids get together and become best friends and such. Another wonderful story by Kimberly Rae Jordan.

Amen hey seemed like actual people and I love the children! This book makes me want to read the next one even more! ^ ^ ^

I'm glad I read this story because it shows how a blended family can thrive and grow when God is at the center. Certainly they had challenges with 10 children but they managed to love each child individually. It was a very sweet, well written story telling at the end what the title of the story about flowers meant.

This is a wonderful story about a second chance at love and about 2 families becoming one. Steve and Emily meet through their boys, Emily offers to watch the boys after school and Steve mistakenly thinks she is looking for a husband, they straighten that out and become very good friends and end up finding a wonderful life together. This is the start of a new series that I think is going to be amazing just like all of the books Kimberly Rae Jordan writes can't wait for the next one

Such a sweet story! 8 children! Whew! Loved it! A great start to another promising series from Kimberly Rae Jordan! She is a very talented writer.
