## Customer Reviews

The two people giving it 5 stars must be shills, regardless their being listed as "verified purchasers." This "book" amounts to about 4 single spaced sheets of paper. Descriptions are OK I guess, but there is no map, no web links, no hours, no prices, no access information, no pictures. One star is about right as it does have some valuable content, but worth about 50 cents, not 3 dollars.

Montreal, here I come! What a way to describe the beautiful Montreal. If this place wasn't in your top places to visit, now it is. This book sums it all up, and all that is left for the reader is to turn on the imagination, and you can almost experience and feel the beauty of this place.
