PopOut was founded in 1993. Today, PopOut produces over 100 titles for major destinations and is loved by travellers the world over.

Great map. It was very useful. I had been concerned that the pop out feature would be more distracting than useful, but it actually is a fantastic feature. It stores easily and opening to the section that is currently needed is easy and does not leave you holding a huge map every time you need to

figure out how to get from one place to another. It was also incredibly useful to have the metro information on the map. I just wish that it had been completely laminated - yes, it did start raining during the presidential swearing in of the 2017 inauguration - it would have been nice to not worry about rain soaking the un-laminated paper portions. I will definitely look for PopOut Maps when purchasing maps again.

So glad I had this on our recent trip to DC. Easy to read and most helpful finding the sites. Compact size. Fit nicely in my purse.

Very handy -- love the size! I will order more for future trips to popout destinations!

Used it at the Womens March and it worked well. Good price, good product

The maps were helpful, but small - particularly the one of the Metro. Nice, compact size, but that does require smaller maps. The folding is pretty nifty, but it got all screwed up, and despite multiple tries and comparing one with another map, I could not get it to fold back properly. In the end, I forced it back into place. We actually preferred the free maps that the Hyatt was giving away at the front desk.

I bought this map in preparation for our family vacation in D.C.. This map was perfect. It fits comfortably in my pocket, and has all the detail to navigate easily. I would recommend this map!

a must have for exploring DC on your own.

very helpful
