Tiffany's Table Manners For Teenagers

Synopsis

Here is the perfect little book for anyone—teenage or otherwise—who has ever wanted to master the art of good table manners. Written by Walter Hoving, former chairman of Tiffany's of New York, it is a step-by-step introduction to all the basics, from the moment the meal begins ("It is customary for the young man to help the young lady on his right to be seated") to the time it ends ("Remember that a dinner party is not a funeral, nor has your hostess invited you because she thinks you are in dire need of food. You're there to be entertaining"). In addition to the essentials about silverware, service, and sociability, it includes many of the fine points, too—the correct way to hold a fish fork, how to eat an artichoke properly, and, best of all, how to be a gracious dining companion. Concise, witty, and illustrated with humor and style by Joe Eula, this classic guide to good table manners has delighted readers of all ages for more than 50 years.

Grade Level: 7 and up

Customer Reviews

Written by the former chairman of Tiffany's, this is a simplified, illustrated guide to basic table manners for anyone--teenaged or not--who'd like to dine correctly. More than a handbook on which fork to use, this small volume explains how to be graceful and sociable when dining out and at home.

WALTER HOVING was a distinguished leader of America's business community throughout the 20th century, most notably as the chairman of the board of Tiffany & Co. He helped to found many charities and educational funds, including the Salvation Army Association and the United Negro College Fund. He also initiated a number of design award programs, including the Tiffany Design Award. In addition to Tiffany's Table Manners for Teenagers, he wrote *Your Career in Business* and *The Distribution Revolution*. He died in 1989. JOE EULA was a prominent fashion illustrator whose work appeared in many publications, including *Vogue* and *Harper's Bazaar*. He also created album covers and concert posters, and designed costumes for New York City Ballet. He died in 2004.

This book is so cute! I'm a school teacher, and lately I've noticed a lack of manners in the younger ages. I teach a unit on manners and etiquette and I really just needed something a little extra to add to my lesson, so I purchased this book. I read this book to my Jr. High students and they loved it. It's an easy read, and has great tips for people of all ages not just teenagers! I have always been drawn to Tiffany's and this book was just so much fun, and I'm really glad they came out with this!

Excellent. I heard this reviewed on Public Radio as "the best book" regarding manners and bought one for each of my grandchildren. They didn't love them, and I noticed they sat up straighter and placed their utensils neatly and correctly on their plates after they had finished eating. I must order another now for myself.

A friend of my mother's gave me this before I went to college. It didn't help, but it could have, had I actually applied what I read. This book will help you avoid making a fool of yourself.

I love this book. It's easy to read and has pictures! I love it and highly recommend it. I am older but in need to do the right thing. I just need to close my mouth when I chew my food and not talk and also not be the first to finish my meal. Highly recommend for anyone needing this gracious book! Thanks for giving me brilliant Table Manners that my whole family can thank you!

Love this book! Any age can read this and get information!

EVERY teen should be comfortable with manners--good manners--excellent manners--

Outdated but still a classic.

Yes, the book exceeded my expectations after so many years. It is a classic. I have given it to younger generations in my family. If everybody read it, we would see excellent table manners everywhere. Regards, Jesus Aguayo Jr., Houston, TX
