Wishing He Was My Savage 2

Synopsis

After years of faking happiness, never did Ashleigh think her secrets would come back to haunt her. On the day that most women are their happiest she's staring in the eyes of the man she plans to promise forever and the man she will love forever. Should she go down the road she is certain of or down the road that may or may not contain her happiness? Though Harlem may be the obvious choice, all isn't right in his chaotic world. Harlem is carrying around a secret that is sure to send Ashleigh running for the hills. With more money, power and drama than he knows what to do with, Harlem finds himself with his hands full trying to juggle it all. Amanda and Houston are both guarding their heart from the hurt they believe is inevitable. Little do they know their trouble isn't in each other, it's in those lurking in the shadows. No one wants to see Houston and Amanda together and will do anything to keep them apart. Will these couples finally get their happily ever after together or will Leah, Kennedy and a few friends stand in their way?

Very good book!! This is a must read.

Could not put it down, I finished in one day. Savage 3 I am on it!! Bring more of it!!

Amazing book! Every time I finish I want more lol! I'm purchasing 3 right now! The story is just getting better and better.

Great read . Waiting on part 3 with baited breath!! Please let Kennedy and Dre get their's !! It was fantastic

Ashleigh make wish I never even read this book. She do the dumbest stuff I ever seen. It's just she don't have no common sense like come on chic. You supposed to be a good girl but you thotting around. Whatever I wouldn't even blame Harlem for not messing with her ever again. I wish I would've waited for part three before reading this. Now Amanda about to be on some stuff since Mannie miraculously back. Highly annoyed at this point. Something told me not to read it.

Omfg this sequel was EVERYTHING I wanted and needed, so much more than I expected!!!! The plot thickens like pancakes! Every character is bananas and keeps you guessing! Treae, baby, you put your foot in this follow up and I can't wait for more from you and these characters

I've been waiting on this book and nothing has been solved like ugh I enjoyed it hope it don't take forever for us to get part 3

It's a good story line but I honestly think people do series for more money this book could have ended a long time ago, it's just going in circles to the point I don't care to read part 3.
