Lonely Planet Tasmania (Travel Guide)

Synopsis

#1 best-selling guide to Tasmania * Lonely Planet Tasmania is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Explore the darkened underground galleries at MONA, learn about convict history at Port Arthur Historic Site, or hike spectacular Cradle Mountain; all with your trusted travel companion. Get to the heart of Tasmania and begin your journey now! Inside Lonely Planet Tasmania: Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, food, wine, wildlife, environment, politics. Free, convenient pull-out Hobart map (included in print version), plus over 44 maps Covers Hobart, Port Arthur, Bruny Island, Huonville, Derwent Valley, Maria Island, Freycinet National Park, Bay of Fires, Flinders Island, Launceston, Tamar Valley, Devonport, Strahan, Cradle Mountain and more The Perfect Choice: Lonely Planet Tasmania, our most comprehensive guide to Tasmania, is perfect for both exploring top sights and taking roads less travelled. Looking for more extensive coverage? Check out Lonely Planet's Australia for a comprehensive look at all the country has to offer. Authors: Written and researched by Lonely Planet, Anthony Ham, Charles Rawlings-Way and Meg Worby. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. Lonely Planet guides have won the TripAdvisor Travelers' Choice Awards in 2012, 2013, 2014 and 2015 in the Favorite Travel Guide category. *Best-selling guide to Tasmania. Source: Nielsen BookScan. Customer Reviews

The book is fairly informative and contains some good maps and pictures, but it lacks certain essential information on Tasmanian cities and towns (notably population, demographics, and weather averages/extremes). Also, a mileage chart for the distances between cities would have been helpful. Finally, the prices for motels, restaurants, attractions, etc, are confusing in that the "\$" sign used throughout the book is not defined -- are the prices quoted Australian dollars or U.S. dollars? Currently, there is a 34% difference in the exchange rate between the two currencies.

This is a wonderful guide to Tasmania. My wife and I spent a week touring the eastern part of Tasmania this year and this book was a fantastic help. After reading it from cover to cover to decide what we wanted to see, we cut out the pages of the sites we decided on visiting so we could fold them up and stick them in our pockets. Great descriptions, good maps, good advice. Highly recommended.

Provided me with all the tools to see the most of Tassie while I was there

Very nice book for the price. I also like that large removable map.

Good reference.

I just used this book for a trip to Hobart, Tasmania. It had great recommendations for food, sights, and activities. I never would have heard about an amazing guided bike tour down Mt. Wellington without this book. Get it! You won't regret it.

Just got back from Tasmania where we used this book extensively. It is important to always have

the latest edition as the information gets out of date quickly.
