The Book Of Common Prayer

Synopsis

For more than 460 years, The Book of Common Prayer has been a treasured resource for those of the Episcopal faith, which today has nearly two million members in the United States. Within its pages, countless many have found guidance, strength, and hope. One of the major works of English literature, it has been used regularly for weddings, baptisms, and Episcopal church services since it was first published. Phrases from within the text, such as "Earth to earth, ashes to ashes, dust to dust" and "Till death do us part," are common in many of the traditions and ceremonies celebrated today by many Christians. Every day, readers will turn to it as a map to guide them as they travel along the path of their spiritual journey; they will turn to it in times of sickness and sorrow; and it will be ever-present by their side as they celebrate joyous occasions. A wonderful devotional resource for any Christian, this edition is packaged for gifting, and is ideal for Bible study groups, as well as confirmation and graduation gifts. The affordable price and compact size makes it ideal for those who like to have a copy they can take to the office, or pack conveniently in their luggage when traveling; a trusted companion for both physical and spiritual journeys.

Customer Reviews

The Episcopal Church is a Christian church divided into nine provinces and has dioceses in the United States, Taiwan, Micronesia, the Caribbean, Central and South America, as well as the Convocation of Episcopal Churches in Europe and the Navajoland Area Mission. Because of its

origins, the Episcopal Church is considered apostolic, as its bishops can be traced back to the apostles via holy orders.

Really a wonderful Episcopal Book of Common Prayer. It has everything in it. Very easy to read. You can find everything very easily. Well worth the price.

This is a big book, much bigger than I expected. Awesome.

good

This paperback is perfect! It contains everything you want or need.

getting used to this. page numbers are not the same as what we use in church. All the info plus more is there though.

All of the text seems to be here, which is important, but it should be noted that the page numbers are not correct. As such, this should not be considered an authorized version. Page numbers might seem like a small matter, but a Book of Common Prayer being used in a church service should have the Holy Eucharist Rite I begin on Page 323, and Rite II on Page 355. This isn't just a pet peeve of mine. We bought two copies as gifts to our children at their baptism, and when we showed them to three different priests, they were bewildered that such an edition would be in print. It should be fine for personal use, but it would never be acceptable for parish use. We wouldn't have bought these editions had we known. The page numbers could easily be fixed by the publisher, and they should be.

I work for a church that was helping someone from another church with their Jailhouse Ministry. An inmate, who was raised Episcopalian, had requested a visit from our priest and a copy of the BOCP. The rules at the jail require it to be a paperback version only. Absolutely no hardback, no leatherbound, no clothbound or other softcover versions because inmates might hide things inside. Did not realize it would be so difficult to find it in paperback! Fortunately, came through for us. We purchased 4 copies in case we get another request like that one. Thanks !

I love the Book of Common Prayer and was excited for the great price and large print. Unfortunately,

it is useless for leading groups which I do often. Disappointingly, the publishers didn't take care to match the numbers to the standard issue BCP.
