Miracle: When Christ Touches Our Deepest Need

Synopsis

Stress, pain, grief... Do you need a miracle? They still happen, says Wuellner, a wise spiritual director, counselor and healer. She's a witness to their power and mystery. "Fifty years ago, as a young pastor, I probably would've denied it," she writes. "But over the years I have become humbler, listening and observing more. Yes, acts of wonder still occur surprisingly often in the physical world. ...God works closely in, with and through us as every atom, each cell, every thought and action open to reveal God's love." Televangelists have sullied them, but the mystery of miracles fit into the biblical and theological framework of today. Rediscover their wonder and power. Focusing on seven of Jesus' miracles, Wuellner invites you to consider: * What does this story tell me about God and how God feels for me? * How can this story help me with my problem? Wuellner explores the many ways God's generous goodness and mercy are available to each of us. For anyone facing illness or a life crisis, Miracle opens the depths of spiritual richness for living a full life in spite of it all. Each chapter ends with a guided meditation. In these stories and meditations, you'll discover Christ's power to touch your intense hurts. Christ can transform them into a life of miracles.

Customer Reviews

Using pivotal and familiar Gospel stories of healing, Flora Wuellner has brought the miracles of Jesus' ministry into our personal lives. With sound scripture study and a fresh approach to what it means to be healed, MIRACLE is a gift for all of us. --Jane E. Vennard, Author of PRAYING WITH BODY AND SOUL: A WAY TO INTIMACY WITH GOD

Flora Slosson Wuellner, a retired ordained minister of the United Church of Christ, is well known throughout the United States and Europe for her writings and retreat leadership that focus on the inner healing that God freely offers through Christ. She has been involved in the specialized ministry of spiritual renewal for over 40 years and has written 14 books on inner healing and renewal. Educated at the University of Michigan and at Chicago Theological Seminary, Wuellner has served pastorates in Wyoming, Idaho, and Illinois. She currently lives in Fair Oaks, California.

I am not sure how I became aware of Flora Slosson Wuellner and her books but it certainly was to my great fortune that I did. There are no doubt a great spate of books about healing for the Christian but in my estimation, FSW's are certainly at the very top. With FSW you get no off-putting eccentricities -- no preoccupation with Satan and "spiritual warfare

Doing the study in a home based small group. Excellent discussions about the Biblical stories presented. Thank you for a small book big on miracles!

This is one of my favorite books, and I have handed it out like water. I have just about every book Flora Slosson Wuellner has written. She is extremely gifted. In this book, she gives an in depth view and a behind the scenes glimpse as it were to several of Jesus' miracles. She aids the reader to see deeper, to what is underneath the needs with which Jesus was presented. This book is insightful, inspiring, and healing. I highly recommend it and any of her books to those who are desiring healing.

Great book--well written.

This book is currently being used as a study book for a woman's Bible study group. Each chapter is about some person whose life is directly affected by contact with Jesus. Its value lies in the discussions we have relative to the topic in each chapter. We take one chapter a week and it is short enough that it carries us from Christmas into Lent. Each chapter ends with a meditation which our leader leads by reading it slowly, allowing each to freely absorb the the thoughts and meditate on them.

For anyone ready to deal with their woundedness. Jesus is still the healer, and this book takes you

step by step through guided imagery and prayers to find that healing

I find very refreshing how she approaches the Gospel with a very unique and personal view that somehow brings you inside the issue as apart of it and it really awakened some of my curiosity in a genuine innocent manner, thanks Flora for giving good food for thoughts and for soul as well, Miracle is a sweet drop of Heaven and it heals so is the real deal, Licia

Outstanding insights into gospel stories followed by powerful meditations. I will keep this book and go back to it many times.
