## Customer Reviews

At last you put two series together!! I at first thought Herobrine VS Entity 303 came first, but I checked the release date and this was first!! THIS IS AWESOME!!!!!! WOOHOOOOO!!!! Have you read Diary of Herobrine VS Entity 303? If you think you'll like this book, read that too! Please have Power-Hungry Sheep 5 made. Plz?INCOMING

SPOILER=====Shadow is a Wither Skeleton that was banished from the Nether, and spent his days ransacking Villages. That is, until Herobrine came. Herobrine said the Nether is under attack, but it poisons him and Shadow is the only one powerful enough to help it. Shadow gets his Horse, Cloud (I still don't get why Cloud) and rides to the nearest nether portal. He meets Jack, a strong Zombie Pigman, but are separated by Ghasts. He finds his brother, meets a Blaze, and a lot more.=====ANYwaysTM, (even though its not ACTUALLY patented, nobody else had better use it) this book is great and all that-infourai17

this book is the best nether book ive ever read. apart from nether kitten though. i love this book and recommend herobrine vs entity303 books one and two. at first i thought that herobrine was bad but in craft nicholes visio herobrine is the good kinda like notch and entity is kind of like the evil herobrine. i loe this book

again.-AxeBox91837-AxeNoob186-Riptide91837-DabingDino360-Syching3000-Titanium56-FlufflestheDangerKitty7-Derp713-penpineappleapplepen1-dragonarecool31-mobmaster937-TheMinecraftManiac2819-Blank91-TheMinecraftNerd81450-TheQuestionGuy1074P.S I think I have to many usernames.

this book is great ( trying not to be mean here. although it wasn't as good as herobrine's chid, IDK if u can do better than that book. it is my favroite one ,can u make a book two of her) but geting to the point.... i want to see if you can add characters from your other books in into your future books ( i mean as somone to help the main character and/or inspires it to do what he will do in the future) but keep up the good work(also i know my name is lame.... i am under my moms account)

cube kid hasnt published in ovee 60 days....i wonder if he stopped writing. Crafty nichole i really think tht you are not going to read a reviews on not a new book but if you do read this, then my real name is steve. do you think you could make steve seem nicer in your next books? And please dont stop writing like i think cube kid did.

One day. A wither skeleton hears someone, and its herobrine! He asks for help, since nether is invaded by humans! So he leads the army (wither skeletons) and defeats the humans! Well, that's it for today! Joowon Hwang

this is quick and short review. not everything can be good or bad but it gets me angry how some of my favorite characters are evil. just make some books with evil AND good people, maybe both of them working together to help. thank you - Power

Another Success by Crafty Nichole! This daring skeleton meets Herobrine who tells him that the Nether is in peril! I love how he has a black horse, I always try to tame a black horse! Must read! Keep up the great work! - IsaBear556

i LOVE this book. I like it, a wither skeleton building a castle in the overworld? I love Crafty Nicoles crafty ideas. they just keep getting better! :) :) :) - Ivy
