# Arms And Armor: The Cleveland Museum Of Art

## Synopsis

Illustrated with examples of helmets, shields, swords, crossbows, firearms and other items from the collection of the Cleveland Museum of Art, this volume traces the history of European arms and armour from antiquity to the 18th century. It explores themes such as medieval warfare, tournaments, the process of making and decorating armour, and the Renaissance culture of arms. There is also discussion of various forms of weapons, and the illustrations include paintings, tapestries and engravings which show how the objects were used and worn.
