If The World Were A Village: A Book About The World's People, 2nd Edition (CitizenKid)

Synopsis

The 2nd Edition of the best-selling book which has sold over 400 000 copies in 17 languages - updated with new content and insights about the world's people. First published to wide acclaim in 2002, this eye-opening book has since become a classic, promoting 'world-mindedness' by imagining the world's population - all 6.8 billion of us - as a village of just 100 people. Now, *If the World Were a Village* has been newly revised with updated statistics, several new activities and completely new material on food security, energy and health. By exploring the lives of the 100 villagers, children will discover that life in other nations is often very different from their own. *If the World Were a Village* is part of *CitizenKid*: A collection of books that inform children about the world and inspire them to be better global citizens.
