Customer Reviews

Things are getting crazier for the people of Hettford and the Hettford Witch Hunt. Gary's love life seems to be recovering, but everything else is falling down around him. With a spirit well, ghosts, and the witches on the loose, our heroes have their hands full dealing with the supernatural happenings. Another great fun addition to the series, this is perfect for those who enjoyed the first two. If you haven't picked up this series, grab the first one and settle in for a fun time.
