Best Sellers Rank: #539,315 in Books (See Top 100 in Books) #84 in [Books > Religion & Spirituality > Hinduism > Sacred Writings > Bhagavad Gita](#)

Customer Reviews

Text: English (translation)

One of the best translations and commentaries on the Geeta I have ever read. It's not an easy breezy read. And rightly so, because the concepts dealt with are no easy and simple ones. The writing delves deep into the complexity of the subject and extracts such deep insights. Enlightened book.

This is a great book. A very unbiased and clear elucidation suitable for anyone interested in understanding the great work that is Bhagavad gita. I was in search of a translation that was as original as possible to the real text with any additional commentary-which inevitably is colored by the author's viewpoints- clearly demarcated. In this case even the commentaries were very objective, free of any kind of propaganda, unlike many other translations.

This version compared to Sri Aurobindo's 'essays on Gita' from which this is derived is the one i was looking for since long. I like the verse and meaning style with huge footnotes. The footnotes are from Sri Aurobindo's abridged essays and individual verse in sanskrit and its meaning make it open to understanding from the source for those who love Sanskrit. Truly a great work for the nation of

Bharat and the world.

I have several commentaries on the Bhagavad Gita, all of which offer fresh perspectives. I have always found Aurobindo's writings to be insightful and this commentary is no different.

Highly recommend. Thank you!

Everything ok! Exactly as described!

Strongly recommended!

Very Erudite, Difficult to comprehend. Preferred version by Swami Dayananda.
