The Official Bob's Burgers Coloring Book

Synopsis

The first and only coloring book based on Fox's Emmy-winning animated hit TV show. Crossing the line from line art to Pop Art, The Official Bob's Burgers Coloring Book follows in the best-selling pop-culture coloring book footsteps of Star Wars, Game of Thrones, Doctor Who, The Walking Dead, and Outlander. This collection serves up not only images of the best moments of the show, but also enough puns and fun to have the show's ravenous fans salivating with hunger and hilarity. Bob's Burgers is enjoying a true pop-cultural moment, with an original comic-book version by Dynamite Entertainment still setting records since its launch in 2014, a soundtrack album of original music from the series featuring music from indie band Sleater-Kinney (Portlandia's Carrie Brownstein), and now an ongoing, multi-city live tour that presents the cast and crew re-creating some of the most popular episodes in front of packed houses across the country.

Everything it should be content wise. Like a walk down memory lane full of giggles. Only drawback- PRINTING ON BOTH SIDES OF PAPER. So close...

I love adult coloring books and I love bobs burgers. This is my all time favorite coloring book. The pictures are fun to color. My only complaint is that the pages are double sided. This would make a great gift for any fans of the show.

Such a cute coloring book! There is nothing too complicated, and the pages are nice and thick. It's perfect for the whole family to color in.

Absolutely perfect. A great balance of Bob's Burgers fun and something fun to color (not too much or too little detail).My favorite page is the one with Linda's sister and all the animal anus.

My daughter loves Bob's Burgers, and I had to get this for her. She loved it, and bought another one

for a gift. They loved it too!

Love!! Love Bob's Burgers and this coloring book is high quality. Great pictures and designs. So much fun to color the actual scenes from the show.

I love Bob's Burgers and just had to have this. It is fun to color and reminds you of great Bob's episodes...

Have been working my way through the book. It's a lot of fun to do while watching the show on Sundays.
