Judah's Sceptre And Joseph's Birthright (1902)

Synopsis

". . . More thrilling than Western fiction . . . will cause you to lose sleep rather than go to bed without knowing the outcome." -Baptist Messenger John Harden Allen (1847 - 1930) was an American minister. He was associated with the Church of God (Holiness), and is also heavily associated with British Israelism. Allen is best known for his book titled Judah's Sceptre and Joseph's Birthright, which many have claimed formed the foundation for the teachings on British-Israelism of Herbert W. Armstrong. Judah's Sceptre and Joseph's Birthright states that it is: "An Analysis of the Prophecies of the Scriptures in regard to the Royal Family of Judah and the Many Nations of Israel, the Lost Ten Tribes." A review in the Baptist Messenger reported: This is one of the most interesting volumes we have read in many a day and we confess that the arguments produced by Mr. Allen seem to be unanswerable. It is more thrilling than Western fiction. The description of the scarlet thread, the royal remnant, and the part played by Jeremiah in the preservation of the ruler for David's throne, will cause you to lose sleep rather than go to bed without knowing the outcome.

Overview of book: When this book first appeared, "Britannia" still ruled the waves and the sun was shining on the British Empire, which is why many came to believe that the British were "God's People" and an introduction to the book claimed that: A notable and immensely significant sign of the times is the revival of interest in Old Testament prophecy that is beginning to be strongly felt in Anglo-Saxon countries. This book presents facts and considerations which everyone must sometime take into account, for they are destined to become important factors in world affairs. This book was written during the high point of the British Empire, and the prophecies about the Company of Nations promised to Abraham and the dividing of Israel had certainly come to pass, God brought them to pass. What is lacking is the final parts of the prophecies in (Deut. Chp 26 ~ Lev. Chp. 28) showing what will happen to Israel (Anglo-Saxons, USA) in the Later days when they got wealthy and lifted up, these prophecies show a moral degeneracy, leading to a fall, collapse and being taken into captivity by Babylon (Rome) and Assyria (Germany), to once and for all being delivered by the Messiah, along with Judah (The Jews).

Contents

Judah's Sceptre and Joseph's Birthright is divided into three parts: Part one addresses the claim that God made a promise Abraham that his descendants would become many nations. The chapters are: Judah's Sceptre and Joseph's Birthright; Race Versus Grace; The Sceptre and The Birthright; Jacob's Seed Divided Into Two Kingdoms; All Israelites Are Not Jews; The Broken Brotherhood; Ephraim-Samaria -- Israel's Idolatry; Samaria-Israel Cast Out And Cast Off; The Jews Go To Babylon And Return; Joseph-Israel Lost. In part two the topics discussed are the promise to David of a perpetuated throne and Kingdom. The chapters are: The Sceptre And The Davidic Covenant; Jeremiah's Call And

Commission; The Tearing Down And Rooting Out; Vindication Of The Personal Promises Of Jeremiah; A Royal Remnant That Escapes; The Prince Of The Scarlet Thread; The "Prince Of The Scarlet Thread" And "The Royal Remnant" United. Part three claims to uncover the Abrahamic Nations. The chapters covered are: Lost Israel And The First Overturn Located; Jacob's Pillow-Pillar Stone; The Other Overturns; Dan --The Serpent's Trail; Israel In The Isles; A Few More Identities; A Study In "Scarlet"; Egypt-Israelitish And Anglo-Saxon Emblems; The Two-Fold Aspect Of Prophetic Israel; The Coming Exodus.

Customer Reviews

I have not read it but my husband had and the book belonged to a friend and he liked it so much he did not want to give it back. So I ordered one for him.

This is a very good read and with little thought explains much of world history and conflicts.

great book

Very informative and has meaning about what it means to us today! I enjoyed it very much! The Bible is not just the History of God, it is how to live life and be blessed by God!

Published in 1902 and confirmed what I already knew. The neat thing was in the Appendix was the genealogy from Queen Elizabeth Windsor's father, King George VI back to Adam and Eve. As I already had this, it was nice to confirm every bit of it, all 153 generations.

Truly fascinating! This book puts many of the Bible's mysteries to rest about the Northern Kingdom. J. H. Allen has a wonderful way of writing and has do so much research and backs it all up with Scriptures. Well worth reading and having in one's library. AFG

Necessary for Bible Study.

very good
