Welcome to Beijing, Beijing is the capital of the world's largest nation and one of the most populous cities on earth. Its history is as complex or as simple as you might like it to be. The first mention of Beijing as a city is in records from the Zhou dynasty in the 11th century B.C.E. And there's no doubt that three thousand years that have passed since then have given the Chinese people plenty of time to shape one of the most unique cities on earth. There is only one thing to do now: visit! Let's go! Your guide, WanderStories
