Love her stories.

A damsel in distress...a Scottish Warrior to the rescue!! If I could, I would give ten glittering stars to Eliza Knight's third installment in her MacDougall Legacy series - What a sweeping, majestic story this is! It made my heart sing!! I have read that crafting a winning novel is somewhat like cooking up a stew - You have to combine the main ingredients, and be sure to throw in all the right spices. Eliza Knight has an award winning recipe for success here! A necessary element, for me, in a book is that I have to have empathy for the characters...I have to "connect" with them. Lady Rosamond de

Warrenne, is a wonderful character. I certainly felt empathy for her plight of being abandoned in a remote cave by none other than her own flesh and blood Father. I loved her kindness, her selflessness. She was beautiful on the outside, for sure, but she also had a beautiful, caring and giving heart. Fortunately, for Lady Rosamond, help arrives in the person of our Hero, Laird Tierney MacDougall, a fearsome looking warrior who happens to see a faint light shining in the darkness and dares to scale a rocky cliff face, risking life and limb to save our sweet Heroine. Laird MacDougall is brave, loyal, true, and steadfast. Having suffered an unjust captivity for ten long years, he is determined to regain what he has lost. Complicating matters, his vicious enemy happens to be the brutal father of Lady Rosamond. What a tangle! Laird MacDougall has a loyal following, who never gave up on him, and who are determined to support their leader. This reader can empathize with Tierney, and feels his sorrow for all that he has lost, and cheers for him to keep fighting on. Another important element in a novel is a plot that flows steadily along, and this one does, for sure! I loved seeing life on board a sailing vessel! The reader can almost feel the salty spray on her face, the sound of the waves lapping against the side of the boat! Lovely imagery! The element of humor is also a big plus in a novel, for me... LAIRD OF DARKNESS delivers on this count, as well! The moment when Lady Rosamond takes a sip of whiskey...it was so funny! Suffice it to say, she found it a bit strong for her liking, and resolved to stick with wine. A satisfying conclusion, with any and all loose ends tied up nicely is also an element that I appreciate! I also am a fan of an Epilogue, and this wonderful book hits homeruns for both elements. Two bruised and battered souls find each other...and stand together with their loyal friends to weather the storms of life. The pain of betrayal has stung both Lady Rosamond and Laird MacDougall, but they both have courage and resolve to fight for a better tomorrow - What inspiring characters they are! So, this reader is putting down LAIRD OF DARKNESS as one of the best books that I have read in 2017! This moving, emotional story touched my heart, and I urge you, if you love adventure, romance, handsome, loyal Highlanders, sweet, brave and kind Heroines - This is the story for you - don't miss it! Bravo, Eliza Knight!

This is a terrific little story about a Scottish laird, Tierney, who has been imprisoned and tortured in the Tower of London for ten long years. Upon his unexpected release, while returning to his native Scotland, he happens upon an English woman, Lady Rosamond. Tierney rescues Rosamond from a dire scenario that would have likely resulted in her demise. The two people, who were brought together by fate, (or was it a legend?), begin to see that they are somehow supposed to be together. They have more than just a heated attraction, but sense a destiny as one. I thoroughly enjoyed this

book, and found myself smiling more than once as I read it from start to finish without putting it down! The plot was intriguing, the characters were colorful, and the romance was magnetic! I highly recommend this book to readers of romance who enjoy historical romance with heat and humor. I am also hoping that there is another in this series, as I am curious to know how Gunnar and Loretta made their way to each other- there is certainly a story to tell there!

Tierney is a man on a mission of revenge. He has vowed he will make the English and his tormentor while he was imprisoned, John de Warenne, pay and pay dearly. He pledges false allegiance to the English king in order to gain his release from prison, then begins his journey back to Scotland, where he plans to rally his clansmen and oust English forces while battling under the flag of Robert the Bruce, King of Scotland. Along the way, Tierney rescues a damsel in distress, Lady Rosamond de Warenne, daughter of his sworn enemy, John de Warenne. Rosamond reviles her father for abandoning her in a cave to die and plots with Tierney to make her father pay for his many sins with the ultimate weapon of revenge... A marriage between herself and Tierney. What starts out as a marriage of mutual convenience, and a weapon of revenge, slowly changes as Tierney and Rosamond are swept away by their passion for each other. As friendship, admiration, respect and feelings start to grow and develop between the pair, they wonder if they will be able to hold on to the truly special bond that they share. Or will the lust for revenge and the consequences thereof tear them apart? I LOVE these two characters, Tierney and Rosamond. They have so much heart, warmth and depth. I felt my fondness for them grow along with their fondness for each. Rosamond is brave, strong, compassionate and smart. Tierney is a born leader, fearless and protective, yet also loyal, gentle and kind. These two were truly made for each other. Knight was a "new to me" author, and she did not disappoint! This story was very well crafted with interesting characters and a fast-paced, riveting plot line. I am eager for the next book in the series and, now, would also like to go back and read the two books, that are prior to this one. *I received a complimentary ARC of this story in order to read and provide a voluntary, unbiased and honest review, should I choose to do so.

As the responsible one, Lady Rosamond de Warenne took the blame for her sister's actions, knowing that her very unstable father could possibly kill her pregnant twin. Rosamond's punishment was to be abandoned in a cave, far above the sea, with no chance of escape. Tierney, having been imprisoned by the evil John de Warenne, rescues Rosamond and the adventurous romance begins. This story was brilliantly written. You felt every bit of the angst of the Heroine and the depth

of the anger of the Hero. I loved the concern Rosamond still had for her twin, even after the horrendous punishment by their father.(This is an extended version of a previously released novella. I definitely enjoyed the added content.)
