## Synopsis

Chocolate Cozy Mystery series can be read in one to two hours. It is perfect for those moments when you are waiting at an appointment or want to enjoy a quick read. In Chester Falls, all lives well in life, love and chocolate, until another one bites the dust. Secret super sleuths and Chester's hottest new lovebirds, Olivia Cloud and Detective Jake Morgan, find themselves smack in the middle of yet another murder mystery. But this one hits far too close to home for Jake. After Jake's dear great aunt, Gracie, who was one of Chester's wealthiest denizens, passes on one night, his younger sister, Lacy, their cousin Kieran and his wife and mysterious friend, all fly in for the memorial service and to settle Gracie's sizeable estate without conflict. That doesn't exactly go according to plan, when Kieran suddenly turns up dead. As always, it's up to Olivia and Jake to crack the case. That is, if they can keep from stepping on the toes of the inept, clueless and pushy Detective Keane. But, as the two stay on the case, more suspects begin to pile up, their new romance heats up and poor Lacy is named a prime suspect in Kieran's murder. This time around, things aren't what they seem when it comes to cases, kisses or kin.

## Customer Reviews

Things are running fairly smoothly in Chester Falls until Olivia's current romantic interest, Jake Morgan, tells her his Great Aunt Gracie has passed away. She was one of the richest women in Chester, and now Jake needs to handle the settling of her estate. This situation brings all kinds of strange and quirky characters to Chester Falls (and some who already live there contribute to the action) who want to lay claim to Aunt Gracie's money. Jake and Olivia and friends work to get things sorted out and minimize the casualties. Lots of tea and chocolate is consumed. This is another short, fun, addition to the Chocolate Cozy Mystery Series.

Jake's aunt has passed away. He's dealing with the estate and everything that entails. Just before her memorial, his snooty sister and their cousin and his wife and a tag along friend sweep into town with ideas of riches in their heads as they consider that the estate will be split among them. As soon as the memorial is over, the cousin is found dead and the snooty sister is the prime suspect. Olivia helps Jake get to the bottom of the trouble and get her off the hook.

The story line is easy to follow, flows well, it holds your interest. Another great book from Wendy Meadows! I love following the progression of the relationships of the characters with each story. Olivia and Jake are at the beginning of a relationship and it is fun to read about new love! They are involved in solving a murder and get into all kinds of trouble while doing that.

Another fun, interesting story by Wendy, if you love Cozy mysteries you need to read this one, you will be glad you did .I received an ARC for my honest review and I honestly enjoyed this book

Wonderful. The death of the PI's aunt gets the family together. Our chocolatier l'd there to support him in this hour of need. However a death soon has them scrambling to find out what is going on. Another great little read in the series. Nice that all the stories are really different and don't follow a formula.

This is a light, short cozy mystery. A fun read with a surprise ending. Coffee and chocolate are featured, so be prepared for cravings.

This installment of this series is very good. It has a lot of action including murder, infidelity, kidnapping, and a race for time to prevent yet another murder. Wendy Meadows never fails to impress me with her absolutely awesome writing.

I love all of Wendy Meadows books if you love cozies with great stories and characters you will love like I do then these books are for you
