El Conejito Knuffle: Un Cuento Aleccionador (Knuffle Bunny) (Spanish Edition)

Synopsis

Trixie, Daddy, and Knuffle Bunny take a trip to the neighborhood laundromat. But the exciting adventure takes a dramatic turn when Trixie realizes some bunny was left behind. Using a pastiche of muted black and white photography and expressive illustrations, this stunning book tells a brilliantly true-to-life tale about what happens when Daddy's in charge and things go terribly, hilariously wrong.

Todo que se puede esperar de un audiolibro para niños se encuentra en este libro! Hay una historia encantadora, una banda sonora musical y efectos de sonido que reflejan la acción del

cuento y una narraci3n en turnos por Jorge Pupo e Ivette Gonsales que enrolla directamente a los lectores. Este audiocuento lee como una memoria muy recontada y querida. La pequea Trixie termina las frases de su pap3; mientras 3 narra la historia del da cuando ella perdi3 su conejito, Knuffle, en la lavander3a. Por todo el cuento, Trixie intenta expresar su frustraci3n con habla-infantil. El resultado es una historia graciosa para todos los lectores/oyentes. Si acompaado o no por una copia del libro mismo con sus ilustraciones excepcionales de medio foto/medio dibujo, este audiolibro es genial! [ENGLISH TRANSLATION]--Everything you could ever want in a children's audiobook can be found in this one! There is a charming story, a musical soundtrack and sound effects that reflect the story's action, and a dual narration by Jorge Pupo and Ivette Gonsales that immediately grabs listeners' attention. This audio story reads like an often-told favorite family memory. Trixie finishes her father's sentences as he narrates the events of the day she lost her stuffed bunny, Knuffle, at the laundromat. Throughout the story Trixie attempts to express her frustration in baby talk. The resulting narration is an entertaining experience for anyone who hears it. Whether or not it's accompanied by a copy of the book, with its exceptional illustrations--half photos/half drawings--this audiobook is outstanding! I bought this book for my daughter and we've read it together for the past two nights. She seems to really like it because it's the second day she's asked me to read it. I think she likes how the little girl looks and that Knuffle Bunny looks a bit more like a stuffed dog than a rabbit. I am not as enamored by it. I think the book is o.k., but the translation honestly leaves a lot to be desired. I think the story loses some of its appeal or "cuteness" because of the translation. Some of the Spanish words are dialect specific I think - meaning that it may be typical of those who are of a specific spanish-speaking nationality, but not familiar or frequently used by me or my family. There are much better "bilingual" books out there.

Great book for teaching characters and emotions.. Also it is very cute :D

As described. Thanks

excellent.

Trixie goes on an errand to the laundromat with her dad, but on the way home she realizes she

doesn't have her beloved bunny! Will Knuffle bunny be gone forever because trixie can't talk yet?!very well made book, larger size, really good quality printing. This story is adorable! and not too long to fit into a busy bed-time routine!

I have this book and have gifted this book to others who are interested in Spanish books. Cute story and The Spanish is excellent.

I did bilingual storytime with the book and the audience love it in English and Spanish. Love this story! Bring the continuation in Spanish please.

I don't LOVE this book but kids LOVE THIS BOOK. ALL of them.
