## Customer Reviews

I choose this rating because the book is funny and fun.I liked the book because its awesome and

fun

I choose five star because I felt it was just a really cute story and not to mention, FUNNY!!!!!!LOVE IT

No. Just no.

This is funny!Talk: This bookTHIS IS REALLY FUNNY! (Warning! Contains spoilers) The slime wants to bounce but can't. After dying by a human, the slime wakes up in his home. He can bounce! But he miss sliding. This was SO funny. Lol. Merry Christmas!

Merry Christmas!

Pretty good! I liked that the story was funny and the problem was silly. I recommend this book for younger Minecraft readers.

so good book! so there's a slime that can glide but not jump. Then time passes then when that slime can jump or hop he wants to know how to glide!!!!!!now he fineally understands that even he can't dosomething, like jumping and gliding it doesn't matter.and even he can't do what slimes can do doesn't maenhe's not a slime.keep the great work!

I'm excited to read the book! I think that all of your ideas are creative! I would never think of youre books as boring. I guess some other ideas could be like: Diary of a Minecraft Fish, Diary of a Minecraft Sword (Like Steve going on a adventure with his lucky diamond sword. (Story written in swords point of view). Be innovative. There are lots of ideas but you just have to think! Merry Christmas!

I really like this book. I think for a sequel you could have the siblings try to get into one Slime again. Also WHY ON EARTH WOULD SOMEBODY RATE IT ONE \*!!!!!! This is truly great writing, and if you rate it less, than come up with a better reason than "No.Just no." Got it?
