Christine Louise Roess was a political organizer in Chicago in the turbulent 1960s.

Christine has been a meditator and student of non-dual spiritual and philosophical traditions for 30 years and is the founder of a leadership and high performance coaching company. Christine is the grandmother of two very enlightened young beings, whose questions and curiosity inspired her to write *Where's God?* .

This beautiful, thoughtful book is a gem! It conveys a deep and meaningful message about God to young children while at the same time being great fun to read and listen to. A real achievement. My granddaughters, age four and seven, have asked me to read it to them over and over again.

This beautifully written and illustrated book has become my children's absolute favorite. The illustrations are so captivating and the message so positive. We cannot wait until Christine's next book!

What a lovely book Christine Louise Roess has written. Each page is a joyful exploration of who God is and where we, old and young both, can find God. Thank you Christine for this life-affirming and celebratory book!

Inclusive, magical, insightful and helpful. How to make sense of the unknown and giving it a name. My family enjoys it over and over.

Very presentation about the nature of God for young children. Both wording and picture are lovely.

Beautiful writing and beautiful illustrations. Simple way to share God with children and grandchildren

This is an utterly charming book that my grandchildren want to hear over and over again. For those of us who are not churchy, and who do not want to preach to children, this is a wonderful way to begin a discussion with children about the vast the mysteries of the universe.

The book: where is God? is a beautiful rendition of who God is and more importantly how he/she lives in your heart. I was deeply touched and enchanted by its sweetness and depth at the same time. I definitely recommend it for Children and their parents...
