From Faith to Faith. --This text refers to an out of print or unavailable edition of this title.

For more than 30 years Kenneth Copeland Ministries has helped countless numbers of people around the world successfully change the circumstances in their lives by applying one simple formula--the Word of God. That's why Kenneth and Gloria Copeland have dedicated their lives to teaching and preaching God's uncompromised Word. They believe that when you open the Bible, and focus on what it really means to be born again in Jesus Christ, you'll discover your true identity as a believer--a victorious new creation, born to succeed. Each day, Kenneth Copeland Ministries acquaints millions of people world wide with the benefits and privileges of their new birth by training them to build their lives on the certainty of God's Word. To these people, Christianity is no longer a religion. It's reality. Today, Kenneth and Gloria speak at meetings on six continents, host the award-winning Believer's Voice of Victory television broadcast, which is seen six days a week around the world, and oversee a staff of nearly 500 people worldwide. They are the authors of more than 58 books, many of which have been translated into 17 languages.

These daily inspirational readings take the reader by the hand, and show him/her HOW to believe. They take Biblical statements and apply them to real life situations. At the end of every daily reading, one is left feeling victorious over the struggles of life. The Copelands have an extraordinary gift to encourage faith, love and peace in the hearts of those who want to avail themselves of the gifts God provides through Jesus Christ. The "spiritual logic" of this book is at the same time simple and extremely powerful. Its message opens the eyes of the heart, and its wonderful truths hit you "like a ton of bricks". It is the "shot in the arm" that has the ability to put the reader on the path of victory...every day!

PROS:- Foundational devotion, helping the reader understand foundational principles of victorious Christian living.- I like how the authors share the content, Gloria one day, then Kenneth the other. Both have a different writing style and insight so it keeps the content fresh.- At the end of the devotional it always gives a scripture to refer to, based on the discussion the author has brought up for study that day.CONS: I like each day to begin on a new page, but based on the size of the font you use it messes up the formatting of the book and it appears cluttered. I'd like to see the e-book publisher to fix that.I have had this devotional by my side for over 10 years now. It is great for anyone who is just starting to walk with the Lord and wants to understand what it is like to walk on this earth as a covenant partner with God.

This is THE BEST daily devotional I've ever read! I bought a bunch to give away. Kenneth and Gloria Copeland have written a devotional that is anointed. I can't tell you how many times I was going through something, flipped open this devotional, and the day's writing addressed exactly what I was going through! Buy it!

This book, although not just written, has proven yet again just how timeless God is. He has used it pointedly to speak into specific instances in my life over the past year and a half at the very least. I thank Bro Copeland and Lady Copeland for their obedience to God which allowed Him to use them to write this book. A timeless piece for the believer

My wife and I have an original copy of "Faith to Faith". The covers are now taped with 'Scotch Tape' The book abounds with applicable scripture verses that help to make the texts meaningful. I purchased a current Kindle version for my cellphone and tablet that contains the same great examples, as included in the original.

This devotional was given to me as a gift and it's the best devotional book I've ever encountered in 35 years. I love it so much I purchased a few to give out this Christmas to my mother - the one with large print, and 2 others for other special friends of mine. I know they will love it as much as I do. I can't believe it's not available in the Christian Book Stores where I originally looked for it. I am thrilled that I could purchase it through , plus another book that was highly recommended to me, which I also love. I'm impressed with and will look at 's website for future purchases. The website is so user friendly and I feel confident in their service and delivery. I was concerned about purchasing online and not sure I wanted to go that route but I'm not concerned about it with at all. I don't care for shopping much and this makes it much easier for me. Thank you for such a wide variety of products you offer as well.

A wonderful devotional. We use it daily. Very scriptural and positive devotions!! Purchased more for gifts.

I love daily devotionals, but I must say that this one is one of my all time favorites! I have really gotten so much out of it. There is a directory in the front, so if you are wanting to study forgiveness, for example, you can find sections for that topic.
