## Synopsis

The best-selling companion reader to the Give Me Liberty! family of books. *Voices of Freedom: A Documentary History* is the only reader with a thematic focus on American freedom in its many dimensions. The organization of this compact, unimposing collection of primary source documents mirrors that of the enormously successful Give Me Liberty! family of U.S. survey texts, and has been fully updated to match the Fifth Edition. Affordable and an exceptional value when packaged with Give Me Liberty!, *Voices of Freedom* is now available for the first time in an alternative ebook format.

Eric Foner is the preeminent historian of his generation, highly respected by historians of every stripe—whether they specialize in political history or social history. His books have won the top awards in the profession, and he has been president of both major history organizations: the American Historical Association and the Organization of American Historians. He has worked on every detail of Give Me Liberty!, which displays all of his trademark strengths as a scholar, teacher, and writer. A specialist on the Civil War/Reconstruction period, he regularly teaches the nineteenth-century survey at Columbia University, where he is DeWitt Clinton Professor of History. In 2011, Foner's *The Fiery Trial: Abraham Lincoln and American Slavery* won the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize.
